

and make a determination based on its findings, on a case-by-case basis, whether a fine of more or less than the recommended amount is appropriate for a violation under the Phlx MRP or whether a violation requires formal disciplinary action.

The Phlx has requested that the Commission find good cause for approving the proposed rule change prior to the thirtieth day after publication of the notice thereof in the **Federal Register**. The Commission hereby grants that request. The Phlx's proposal is substantially similar to those of other options exchanges, which previously have been approved by the Commission.¹⁵ The Commission does not believe that Phlx's proposal raises any novel regulatory issues, and no comments were received on any of these earlier proposals. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,¹⁶ for approving the proposed rule change prior to the thirtieth day after publication of the notice thereof in the **Federal Register**.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act¹⁷ and Rule 19d-1(c)(2) under the Act,¹⁸ that the proposed rule change (SR-Phlx-2008-18), be, and hereby is, approved and declared effective on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁹

Florence E. Harmon,

Deputy Secretary.

SUPPLEMENTARY INFORMATION:

I. Background and Purpose of the Proposed New System of Records Entitled the IPP System

A. General Background

We approved a recommendation from a national committee on security to implement a nationwide program to enhance the safety and security of our employees who are victims, or potential victims, of domestic violence. It was intended to safeguard the anonymity of at-risk employees when requests for their work location and/or phone number were received from individuals posing a threat to their personal safety, by delaying the disclosure of the information when certain conditions were met. This process would have entailed a change in our policy that permitted such information requests to be honored. While no action was ever taken on the recommendation, we amended our rules to reflect a similar approach that strengthened our privacy and disclosure rules to better safeguard employees who reasonably believe that they may be at risk of injury or other harm by the disclosure of their work location and telephone number.

B. Collection and Maintenance of the Data for the Proposed New System of Records Entitled the IPP System

SSA will collect and maintain information that will be housed in the *IPP System* from employees who have requested program participation in the IPP from SSA officials. The information maintained in this system of records will be maintained in paper and electronic formats and will include information on all IPP requests made by employees. This system contains such information as: (1) The employee's name, personal identification number (PIN), supporting documentation collected during the process, number of
