**International Trade Administration
Mission Statement**

AGENCY: Department of Commerce, ITA.

ACTION: Notice.

Mission Statement

Aerospace, Defense and Security Trade Mission to Athens, Greece October 7-10, 2008.

Mission Description: The United States Department of Commerce, International Trade Administration, U.S. Commercial Service is organizing an Aerospace, Defense and Security Trade Mission, October 7-10, 2008, to Athens, Greece, with an optional stop in Tel Aviv, Israel, October 5-6, 2008. The mission will coincide with Defendory 2008 in Athens, where U.S. participants will meet with both Greek and Turkish business contacts. Defendory is one of the world's leading exhibitions for sea, land and air defense products and

technologies. The trade mission will target a broad range of aerospace, defense, and safety and security products and services, and will consist of customized one-on-one appointments at the Defendory exhibit site between U.S. participants and Greek customers/business partners, as well as Turkish customers/business partners. Delegation members may take advantage of the optional stop in Israel before the mission starts in Greece.

The goal of the mission will be to match participating U.S. companies with pre-screened agents, distributors, representatives, licensees, buyers, and joint venture partners, and where appropriate, arrange for appointments with government officials, traditionally large purchasers of products and services in the highlighted sectors. Consumers in Greece, Turkey and Israel have a strong affinity for U.S. products and services in these sectors.

Commercial Setting

Greece: Greece's allocation of gross domestic product (GDP) for defense is the highest in the European Union (EU).
