#### Tribal Self-Governance Program Planning Cooperative Agreement

*Announcement Type:* New.  
*Funding Announcement Number:* 1-IHS-2008-IHS-TS GP-0002.

*Catalog of Federal Domestic Assistance Numbers(s):* 93.210.

*Key Dates:* Application Deadline Date: April 28, 2008.

*Review Date:* May 8-9, 2008.

*Earliest Anticipated Start Date:* June 1, 2008.

#### I. Funding Opportunity Description

The purpose of the program is to award cooperative agreements that provide planning resources to Tribes interested in participating in the Tribal Self-Governance Program (TSGP) as authorized by Title V, Tribal Self-Governance Amendments of 2000 of the Indian Self-Determination and Education Assistance Act of Public Law (Pub. L.) 93-638, as amended. There is limited competition under this announcement because the authorizing legislation restricts eligibility to Tribes

that meet specific criteria (Refer to Section 111.1.A., ELIGIBLE APPLICANTS in this announcement). The TSGP is designed to promote self-determination by allowing Tribes to assume more control of Indian Health Service (IHS) programs and services through compacts negotiated with the IRS. The Planning Cooperative Agreement allows a Tribe to gather information to determine the current types of Programs, Services, Functions, and Activities (PSFAs), and related funding available at the Service Unit, Area, and Headquarters levels and provide the opportunity to improve and enhance the healthcare delivery system to better meet the needs of the Tribal community. This program is described at 93.210 in the Catalog of Federal Domestic Assistance (CFDA).

#### II. Award Information

*Type of Awards:* Cooperative Agreement.

*Estimated Funds Available:* The total amount identified for Fiscal Year (FY) 2008 is \$600,000 for approximately twelve (12) Tribes. Awards under this announcement are subject to the availability of funds.

*Anticipated Number of Awards:* The estimated number of awards to be funded is approximately 12.

*Project Period:* 12 months.

*Award Amount:* \$50,000 per year.

*Programmatic Involvement:* TSGP funds will be awarded as cooperative agreements and will have substantial IHS programmatic involvement to establish a basic understanding of PSFAs and associated funding at the Service Unit, Area, and Headquarters levels.

*The IHS roles and responsibilities will include:*

- Providing a description of PSFAs and associated funding at all levels, including funding formulas and methodologies related to determining Tribal shares.

- Identifying IHS staff who will consult with applicants on methods currently used to manage and deliver health care.

- Providing applicants with statutes, regulations and policies that provide authority for administering IHS programs.

The grantee roles and responsibilities are critical to the success of the program and will include:

- Researching and analyzing the complex IHS budget, to gain a thorough understanding of funding distribution at all levels to determine which PSFAs the Tribe may elect to assume.

- Establishing a process by which Tribes can effectively approach the IHS

to identify programs and associated funding which could be incorporated into their current programs.

- Determining the Tribe's share of each PSFA and evaluating the current level of health care services being provided to make an informed decision on new program assumption(s).

### III. Eligibility Information

#### 1. Eligible Applicants

To be eligible for a Planning Cooperative Agreement under this announcement, an applicant must meet all of the following criteria:

A. Be a Federally-recognized Tribe as defined in Title V, Public Law 106 260, Tribal Self-Governance Amendments of 2000, of the Indian Self-Determination and Education Assistance Act (the Act), Public Law 93-638, as amended. However, Alaska Native Villages or Alaska Native Village Corporations are not eligible if they are located within the area served by an Alaska Native regional health entity already participating in compact status (25 U.S.C. 458aaa-2(e)). Those Tribes not represented by a self-governance Tribal consortium compact, within their area, may still be considered to participate in the TSGP.

#### 2. Cost Sharing or Matching

The Tribal Self-Governance Planning Cooperative Agreement announcement does not require matching funds or cost sharing to participate in the competitive grant process.

#### 3. Other Requirements

The following documentation is required (if applicable):

A. This program is described at 93.210 in the CFDA.

B. Tribal Resolution—Submit a Tribal resolution from the governing body authorizing the submission of the application for the Tribal Self-Governance Planning Cooperative Agreement. Tribal Consortia applying for a Tribal Self-Governance Planning Cooperative Agreement shall submit Tribal Council Resolutions from each Tribe in the consortium. If an official signed resolution is not received by April 25, 2008, the application will be considered incomplete and will be returned without consideration.

C. Demonstrate, for three fiscal years, financial stability and financial management capability, which is

defined as no uncorrected significant and/or material audit exceptions in the required annual audit of the Indian Tribe's self-determination contracts or self governance funding agreements with any Federal agency. Applicants are required to submit a current version of the organization's audit report. The applicants may scan the documents and attach them to the electronic application. If the applicant determines that the audit reports are too lengthy, the applicants may submit them separately via regular mail by the due date, April 28, 2008. If this documentation is not received by April 28, 2008, the application will be considered as incomplete and will be returned to the applicant without further consideration.

#### B. Methodology (20 points)

Describe fully and clearly the methodology and activities that will be used to accomplish the goals and objectives of the project.

#### C. Management of Health Program(s) (10 points)

#### D. Organizational Capabilities and Qualifications (25 points)

Describe the organizational structure of the Tribe and their ability to manage the proposed project. Include resumes or position descriptions of key staff showing requisite experience and expertise and, where applicable, include

resumes and scope of work for consultants that demonstrate experience and expertise relevant to the project.

#### *E. Budget and Budget Justification (15 points)*

Submit a line-item budget with a narrative justification for all expenditures identifying reasonable and allowable costs necessary to accomplish the goals and objectives as outlined in the project narrative.

##### 2. Review and Selection Process

In addition to the above criteria/requirements, applications are considered according to the following:

##### *A. Application Submission:*

(1) The applicant and proposed project type is eligible in accordance with this cooperative agreement announcement.

(2) The applicant has not previously received a Tribal Self Governance Planning Cooperative Agreement award.

(3) Abstract, narrative, budget, required forms, appendices and other material submitted meet the requirements of the announcement allowing the review panel to undertake an in-depth evaluation.

##### *B. Competitive Review of Eligible Applications:*

Applications meeting eligibility requirements that are complete, responsive, and conform to this program announcement will be reviewed for merit by the Objective Review Committee (ORC) appointed by the IHS to review and make recommendations on these applications. The review will be conducted in accordance with the IHS Objective Review Guidelines. The technical review process ensures selection of quality projects in a national competition for limited funding. Applications will be evaluated and rated on the basis of the evaluation criteria listed in Section V.1. The criteria are used to evaluate the quality of a proposed project, determine the likelihood of success, and assign a numerical score to each application. The scoring of approved applications will assist the IHS in determining which proposals will be funded if the amount of TSGP funding is not sufficient to support all approved applications. Applications recommended for approval, having a score of 60 or above by the ORC are forwarded to the DGO for cost analysis and further recommendation. The program official forwards the recommended approval list to the IHS Director for final review and approval. Applications scoring below 60 points will be disapproved.

**Note:** In making final selections, the IHS Director will consider the ranking factor and the status of the applicant's three previous

years' single audit reports. The comments from the ORC will be advisory only. The IHS Director will make the final decision on awards.

## **VI. Award Administration Information**

### 1. Award Notices:

The Notice of Award (NOA) will be initiated by the DGO and will be mailed via postal mail to each entity that is approved for funding under this announcement. The NOA will be signed by the Grants Management Officer and this is the authorizing document for which funds are dispersed to the approved entities. The NOA will serve as the official notification of the grant award and will reflect the amount of Federal funds awarded, the purpose of the grant, the terms and conditions of the award, and the effective date of the award, and the budget/project period. The NOA is the legally binding document. Applicants who are approved but unfunded or disapproved based on their Objective Review score will receive a copy of the Final Executive Summary which identifies the weaknesses and strengths of the application submitted.

### 2. Administrative Requirements:

Grants are administered in accordance with the following documents:

If the current rate is not on file with the DGO at the time of award, the indirect cost portion of the budget will be restricted and not available to the recipient until the current rate is provided to DGO.

Generally, indirect costs rates for IHS grantees are negotiated with the Division of Cost Allocation (DCA) <http://rates.psc.gov/> and the Department of Interior (National Business Center) <http://www.nbc.gov/acquisition/ics/icshome.html>. If your organization has questions regarding the indirect cost policy, please contact the DGO at 301-443-5204.
