In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Uncertainties regarding the efficacy of the compensatory mitigation plan and the potential availability of practicable, less environmentally damaging alternatives to provide needed flood protection improvements, magnify EPA's concerns regarding the nature and extent of the wetlands impacts. EPA considers the proposal a candidate for referral to CEQ. EPA is also considering whether to proceed with an additional review of the project pursuant to our authorities under the CWA.
