[Docket No. AD08-8-000]

Demand Response in Organized Electric Markets; Notice of Technical Conference

April 10, 2008.

Take notice that on May 21, 2008, Commission staff will convene a technical conference to consider issues related to demand response in organized electric markets, as discussed in the Notice of Proposed Rulemaking issued in Docket Nos. RM07-19-000 and AD07-7-000. *Wholesale Competition in Regions with Organized Electric Markets*, 122 FERC ¶ 61,167, at P 95 (2007). The technical conference will be held from 9 am to 5 pm (EDT), in the Commission Meeting Room at the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. All interested persons are invited to attend. Telephone participation will not be available.

Issues that will be examined at the technical conference include: the value of demand response in organized markets; comparable compensation of demand response in organized markets; barriers to comparable treatment of demand response that have not previously been identified; solutions to eliminate such barriers; and the need for and the ability to standardize terms, practices, rules and procedures associated with demand response. A further notice with detailed information will be issued in advance of the conference.

Commission staff is now soliciting nominations for speakers at the technical conference. Persons wishing to nominate themselves as speakers should do so using the following electronic link: <https://www.ferc.gov/whats-new/registration/demand-response-05-21-speaker-form.asp>. Such nominations must be made before the close of business on April 23, 2008, so that an agenda for the technical conference can be drafted and published.
