

the inventory of the licenses being offered.

83. In the recent auctions of AWS-1 and broadband PCS licenses (Auctions 66 and 71), the additional default payment was ten percent.

84. Defaults weaken the integrity of the auctions process and impede the deployment of service to the public, and an additional default payment of more than the previous three percent will be more effective in deterring defaults. At the same time, the Bureau does not believe the detrimental effects of any defaults in Auction 78 are likely to be unusually great. Balancing these considerations, the Bureau proposes an additional default payment of ten percent of the relevant bid for Auction 78. The Bureau seeks comment on this proposal.

IV. Deadlines and Filing Procedures

85. This proceeding has been designated as a permit-but-disclose proceeding in accordance with the Commission's ex parte rules. Persons making oral ex parte presentations are reminded that memoranda summarizing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments presented is generally required. Other rules pertaining to oral and written ex parte presentations in permit-but-disclose proceedings are set forth in 47 CFR 1.1206(b).

Federal Communications Commission.

Gary D. Michaels,

Deputy Chief, Auctions and Spectrum Access Division, WTB.

FEDERAL RESERVE SYSTEM

Agency Information Collection Activities: Announcement of Board Approval Under Delegated Authority and Submission to OMB

Summary:

Background

Notice is hereby given of the final approval of proposed information collections by the Board of Governors of the Federal Reserve System (Board) under OMB delegated authority, as per 5 CFR 1320.16 (OMB Regulations on Controlling Paperwork Burdens on the Public). Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instrument(s) are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

For Further Information Contact: Federal Reserve Board Clearance Officer—Michelle Shore—Division of Research and Statistics, Board of Governors of the Federal Reserve System, Washington, DC 20551 (202-452-3829).

OMB Desk Officer—Alexander T. Hunt—Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Final approval under OMB delegated authority of the extension for three years, with revision, of the following reports:

1. *Report titles:* Application for Prior Approval to Become a Bank Holding Company or for a Bank Holding Company to Acquire an Additional Bank or Bank Holding Company; Notification for Prior Approval to Become a Bank Holding Company or for a Bank Holding Company to Acquire an Additional Bank or Bank Holding Company; and Notification for Prior Approval to Engage Directly or Indirectly in Certain Nonbanking Activities.

Agency form numbers: FR Y-3, FR Y-3N, and FR Y-4.

OMB control number: 7100-0121.

Frequency: Event generated.

Reporters: Corporations seeking to become bank holding companies (BHCs), or BHCs and state chartered banks that are members of the Federal Reserve System.

Annual reporting hours: 22,920 hours.

Estimated average hours per response: FR Y-3 Section 3(a)(1): 49 hours; FR Y-3. Section 3(a)(3) and 3(a)(5): 59.5 hours; FR Y-3N Section 3(a)(1), 3(a)(3), and 3(a)(5): 5 hours; FR Y-4 Complete notification: 12 hours; FR Y-4 Expedited notification: 5 hours; and FR Y-4 Post-consummation: 30 minutes.

Number of respondents: 674.

General description of report: This information collection is mandatory (12 U.S.C. 1842(a), 1844(b), and 1843(j)(1)(b)). The forms are designed so that all information contained in a filing is available to the public unless the applicant, notificand, or individual(s) can substantiate that an exemption under the Freedom of Information Act (FOIA) is satisfied.

Abstract: The Federal Reserve requires the submission of these filings for regulatory and supervisory purposes and to allow the Federal Reserve to fulfill its statutory obligations under the Bank Holding Company Act of 1956. These filings collect information on proposals by bank holding companies involving formations, acquisitions, mergers, and nonbanking activities. The Federal Reserve must obtain this information to evaluate each individual transaction with respect to financial and managerial factors, permissibility, competitive effects, net public benefits, and the impact on the convenience and needs of affected communities.

Current Actions: On February 4, 2008, the Federal Reserve published a notice in the **Federal Register** (73 FR 6515) requesting public comment for sixty days on the extension, with revision, of the application and notification forms.
