The EPA is soliciting advice and recommendations from the CASAC by means of a review on the draft documents at an upcoming public meeting of the CASAC. A **Federal Register** notice will inform the public of the date and location of that meeting. Following the CASAC meeting, EPA will consider comments received from the CASAC and the public in preparing a second draft risk and exposure assessment report. The release of the second draft report will be followed by another CASAC meeting and ultimately by a final risk and exposure assessment report.
