

## Background

Section 1404 of SAFETEA-LU required the Secretary of Transportation to establish a Safe Routes to School (SRTS) Program. The purpose of the program is to enable and encourage children, including those with disabilities, to walk and bicycle to school and to make bicycling and walking to school a safer and more appealing transportation alternative. Section 1404(h) requires the establishment of a National SRTS Task Force. This teleconference is the seventh meeting of the Task Force. Complete meeting minutes from the previous meetings are posted on the Web site listed below.

The agenda for this teleconference will include discussion of a draft report to the Secretary of Transportation about national strategies to advance SRTS programs nationwide.

Further information about the Task Force can be found at: [http://www.saferoutesinfo.org/task\\_force/](http://www.saferoutesinfo.org/task_force/).

Once a detailed agenda is developed, it will be posted on this Web site. Please note that agenda items are subject to change as priorities dictate.

### Surface Transportation Board

[STB Finance Docket No. 32023 (Sub-No. 1)]

#### BNSF Railway Company—Trackage Rights Exemption—Dakota, Minnesota & Eastern Railroad Corporation

Pursuant to a written amendment to a trackage rights agreement, the Dakota, Minnesota & Eastern Railroad Corporation (DM&E) has agreed to modify an existing trackage rights agreement<sup>1</sup> to grant overhead trackage rights to BNSF Railway Company (BNSF) between milepost 145.00 and milepost 148.50, a distance of approximately 3.5 miles, in Yale, SD.<sup>2</sup>

<sup>1</sup> The original trackage rights extended between milepost 160.33, in Huron, and milepost 148.50, in Yale, in Beadle County, SD, and were exempted by the Interstate Commerce Commission, the predecessor to the Board, in *Burlington Northern Railroad Company—Trackage Rights Exemption—Dakota, Minnesota & Eastern Railroad Corporation*, Finance Docket No. 32023 (ICC served Apr. 14, 1992).

<sup>2</sup> This transaction is predicated upon the Board's approval of the petition for exemption in STB Finance Docket No. 35125, *Dakota, Minnesota & Eastern Railroad Corporation—Acquisition Exemption—Line of BNSF Railway Company*, filed March 25, 2008, in which DM&E seeks to acquire from BNSF the same 3.5-mile line at issue in the present matter. The instant transaction would constitute a grant back to BNSF of trackage rights over the line following the proposed line sale to DM&E.
