Privacy Act of 1974; Computer Matching Program

AGENCY: Defense Manpower Data Center (DMDC), DoD.

ACTION: Notice of a Computer Matching Program.

SUMMARY: Subsection (e)(12) of the Privacy Act of 1974, as amended (5 U.S.C. 552a), requires agencies to publish advanced notices of any proposed or revised computer matching program by the matching agency for public comment. The Department of Defense (DoD), as the matching agency under the Privacy Act, is hereby giving notice to the record subjects of a computer matching program between the DoD and the Department of Health and Human Services (HHS) acting on behalf of the State Public Assistance Agencies (SPAA). The purpose of the computer matching program is to exchange personal data for purposes of identifying individuals who are receiving Federal compensation or pension payments and also are receiving payments pursuant to Federal benefit programs being administered by the States.

DATES: This proposed action will become effective May 30, 2008 and matching may commence unless changes to the matching program are required due to public comments or by Congressional or by Office of Management and Budget objections. Any public comment must be received before the effective date.

ADDRESSES: Any interested party may submit written comments to the Director, Defense Privacy Office, 1901

South Bell Street, Suite 920, Arlington, VA 22202-4512.

FOR FURTHER INFORMATION CONTACT: Samuel P. Jenkins at (703) 607-2943.

SUPPLEMENTARY INFORMATION: Pursuant to subsection (o) of the Privacy Act of 1974, as amended (5 U.S.C. 552a), the DHHS and DMDC have concluded an agreement to conduct a computer matching program between agencies. The purpose of the computer matching program is to exchange personal data for purposes of identifying individuals who are receiving Federal compensation or pension payments and also are receiving payments pursuant to Federal benefit programs being administered by the States.

The parties to this agreement have determined that a computer matching program is the most efficient, expeditious, and effective means of obtaining and processing the information needed by the SPAAs to identify individuals who may be ineligible for public assistance benefits. The principal alternative to using a computer matching program for identifying such individuals would be to conduct a manual comparison of all Federal personnel records with SPAA records of those individuals currently receiving public assistance under a Federal benefit program being administered by the State. Conducting a manual match, however, would clearly impose a considerable administrative burden, constitute a greater intrusion of the individual's privacy, and would result in additional delay in determining eligibility and, if applicable, the eventual recovery of any outstanding debts.

A copy of the computer matching agreement between HHS and DoD is available upon request. Requests should be submitted to the address captioned above or to the HHS, Administration for Children and Families, 370 L'Enfant Promenade, SW., Washington, DC 20447.

Set forth below is the notice of the establishment of a computer matching program required by paragraph 6.c. of the Office of Management and Budget Guidelines on computer matching published on June 19, 1989, at 54 FR 25818.

The matching agreement, as required by 5 U.S.C. 552a(r) of the Privacy Act, and an advance copy of this notice was submitted on March 2008 to the House Committee on Government Reform, the Senate Committee on Homeland Security and Governmental Affairs, and the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget

pursuant to paragraph 4d of Appendix I to OMB Circular No. A-130, 'Federal Agency Responsibilities for Maintaining Records about Individuals', dated February 8, 1996 (February 20, 1996, 61 FR 6427).

Dated: April 23, 2008.

B. Purpose of the Match: To provide the SPAAs with data from Federal employee wage and pension files to determine eligibility and to ensure fair and equitable treatment in the delivery of benefits attributable to funds provided by the Federal government. The SPAAs will use the matched data to verify the continued eligibility of individuals to receive public assistance benefits and, if ineligible, to take such action as may be authorized by law and regulation. Administration for Children and Family (ACF), in its role as match facilitator, will support each SPAA's efforts to ensure appropriate delivery of benefits by assisting with drafting the necessary agreements, helping arranging signatures to the agreements, and acting as a central shipping point as necessary.

C. Authority for Conducting the Match: The legal authority for conducting the matching program is contained in sections 402 and 1137 of the Social Security Act (42 U.S.C. 602 and 1320b-7).
