Whereas, the Foreign–Trade Zones Act provides for ''...the establishment... of foreign–trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes,'' and authorizes the Foreign–Trade Zones Board to grant to qualified corporations the privilege of establishing foreign–trade zones in or adjacent to U.S. Customs and Border Protection ports of entry;

Whereas, the Board's regulations (15 CFR Part 400) provide for the establishment of special–purpose subzones when existing zone facilities cannot serve the specific use involved, and when the activity results in a significant public benefit and is in the public interest;

Whereas, the FTZ Corp of Southern Pennsylvania, grantee of Foreign–Trade Zone 147, has made application to the Board for authority to establish a special–purpose subzone for the manufacture of aerospace, industrial and R/F connectors at the facility of Souriau USA, located in York, Pennsylvania (FTZ Docket 33–2007, filed 8–3–07);

Whereas, notice inviting public comment was given in the **Federal Register** (72 FR 45221, 8/13/07); and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and the Board's regulations are satisfied, and that approval of the application is in the public interest;

Now, therefore, the Board hereby grants authority for subzone status for activity related to aerospace, industrial and R/F connector manufacturing at the facility of Souriau USA, located in York, Pennsylvania (Subzone 147B), as described in the application and **Federal Register** notice, and subject to the FTZ Act and the Board's regulations, including Section 400.28.
