BILLING CODE 4910-15-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

RIN 1625-AA00

[Docket No. USCG-2008-0309]

Safety Zone: Hatteras Boat Parade and Firework Display, Trent River, New Bern, NC

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard will implement a safety zone during the Hatteras Boat Parade and Firework Display, a motor yacht parade to be held on the waters of the Trent River, New Bern, North Carolina. Vessel traffic in portions on the Trent River adjacent to New Bern, North Carolina, will be restricted during the fireworks display.

DATES: This rule is effective May 30, 2008 from 7:30 p.m. to 9 p.m.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG-2008-0309 and are available online at <http://www.regulations.gov>. They are also available for inspection or copying two locations: the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays, and at Commander Sector North Carolina, 2301 East Fort Macon Road,

Atlantic Beach, North Carolina 28512, between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call C. D. Humphrey, Marine Event Coordinator, (252) 247-4569. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Publishing an NPRM would be impracticable and contrary to public interest because immediate action is needed to minimize potential danger to the public during the event. The necessary information to determine whether the marine event poses a threat to persons and vessels was not provided to the Coast Guard in sufficient time to publish an NPRM. The potential dangers posed by the pyrotechnic fireworks display, make a safety zone necessary to provide for the safety of spectator craft and other vessels transiting the event area. The Coast Guard will issue a broadcast notice to mariners to advise mariners of the restriction and on have on-scene Coast Guard and local law enforcement vessels.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the public interest, because immediate action is needed to ensure the safety of the event participants, spectator craft and other vessels transiting the event area. Advance notifications will be made to users of the Trent River, via marine information broadcasts, local notice to mariners, commercial radio stations and area newspapers.

Background and Purpose

On May 30, 2008, Hatteras Yacht's will sponsor the "Hatteras Boat Parade and Firework Display", on the waters of the Trent River. The event will consist of approximately nine motor Yachts ranging from 41 to 80 feet in length parading single file past the Sheraton Hotel and Marina. A small barge with close proximity pyrotechnics will be anchored near the Trent River Railroad Bridge. Due to the need for vessel control during the event, vessel traffic will be temporarily restricted to provide

for the safety of participants, spectators and transiting vessels.

Discussion of Rule

The Coast Guard is establishing a safety zone on specified waters of the Trent River, New Bern, North Carolina. The safety zone includes all waters within a 150 foot radius of position 35° 06' 03" N 077° 02' 24" W or approximately one 100 yards east of the center span of Trent River Railroad Bridge, New Bern, North Carolina. The safety zone will be in effect from 7:30 p.m. to 9 p.m. on May 30, 2008. The effect will be to restrict general navigation in the safety zone during the fireworks display. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the safety zone during the enforcement period. The Patrol Commander will notify the public of specific enforcement times by Marine Radio Safety Broadcast. These regulations are needed to control vessel traffic during the event to enhance the safety of participants, spectators and transiting vessels.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation is unnecessary. Although this proposed regulation would prevent traffic from transiting a portion of the Trent River adjacent to New Bern, North Carolina, during the event, the effects of this regulation would not be significant due to the limited duration that the safety zone would be in effect. Extensive advance notifications would be made to the maritime community via Local Notice to Mariners, marine information broadcast, and area newspapers, so mariners can adjust their plans accordingly. Vessel traffic would be able to transit the safety zone when the Coast Guard Patrol Commander deems it is safe to do so.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit

organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

The owners or operators of vessels intending to transit this section of the Trent River will be impacted during the event.

This proposed rule would not have a significant economic impact on a substantial number of small entities for the following reasons. This rule will be enforced for only a short period, from 7:30 p.m. to 9 p.m. on May 30, 2008. The safety zone will apply to a segment of the Trent River adjacent to the New Bern waterfront. Marine traffic may be allowed to pass through the safety zone with the permission of the Coast Guard Patrol Commander. In the case where the Patrol Commander authorizes passage through the safety zone during the event, vessels will be required to proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the parade route. Before the enforcement period, we would issue maritime advisories so mariners can adjust their plans accordingly.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have

determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office

of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Commandant Instruction M16475.ID which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction, from further environmental documentation. A final “Environmental Analysis Check List” and a final “Categorical Exclusion Determination” are available in the docket where indicated under **ADDRESSES**.

List of Subjects in 33 CFR Part 165

Harbors, Marine Safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Public Law 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add temporary 165.T-0309 to read as follows:

§ 165.T-0309 Trent River, New Bern, North Carolina.

(a) *Safety Zone.* The safety zone includes all waters within a 150 feet radius of position 35° 06' 03" North 077° 03' 24" West, approximately one hundred yards east of the Trent River Railroad Bridge, New Bern, North Carolina. All coordinates reference Datum NAD 1983.

(b) *Definitions.* (1) *Coast Guard Patrol Commander* means a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Sector North Carolina.

(2) *Official Patrol* means any vessel assigned or approved by Commander, Coast Guard Sector North Carolina with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(3) *Participant* includes all vessels participating in the "Hatteras Boat Parade" under the auspices of the Marine Event Permit issued to the event sponsor and approved by Commander, Coast Guard Sector North Carolina.

(c) *Safety Zone.* (1) Except for event participants and persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the safety zone.

(2) The Operator of any vessel in the safety zone must:

(i) Stop the vessel immediately when directed to do so by any Official Patrol and then proceed only as directed.

(ii) Comply with the instructions of the Official Patrol.

(iii) If authorized to proceed, proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the event site.

(d) *Enforcement period.* This section will be enforced from 7:30 p.m. to 9 p.m. on May 30, 2008.

Dated: April 21, 2008.

June E. Ryan,

Captain, U.S. Coast Guard, Commander, Sector North Carolina.

BILLING CODE 4910-15-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG 2008-0275]

Safety Zone; Fourth of July Fireworks, City of Monterey, Monterey, CA

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the Fourth of July Fireworks Display safety zone for the city of Monterey from 8 a.m. to 9:45 p.m. on July 4, 2008. This action is necessary to control vessel traffic and to ensure the safety of event participants and spectators. During the enforcement period, unauthorized persons or vessels are prohibited from entering into, transiting through, or anchoring in the safety zone, unless authorized by the Patrol Commander (PATCOM).

DATES: The regulations in 33 CFR 165.1191 will be enforced from 8 a.m. to 9:45 p.m. on July 4, 2008.

FOR FURTHER INFORMATION CONTACT: Lieutenant Junior Grade Sheral Richardson, Waterways Management Branch, U.S. Coast Guard Sector San Francisco, at (415) 399-7436.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the safety zone for the annual Fourth of July Fireworks Display for the city of Monterey in 33 CFR 165.1191 on July 4, 2008, from 8 a.m. to 9:45 p.m.

Under the provisions of 33 CFR 165.1191, unauthorized persons or vessels are prohibited from entering into, transiting through, or anchoring in the safety zone during all applicable effective dates and times, unless authorized to do so by the PATCOM. Additionally, each person who receives notice of a lawful order or direction issued by an official patrol vessel shall obey the order of direction. The PATCOM is empowered to forbid and control the regulated area. The PATCOM shall be designated by the Commander, Coast Guard Sector San Francisco. The PATCOM may, upon request, allow the transit of commercial vessels through regulated areas when it is safe to do so.

This notice is issued under authority of 33 CFR 165.1191 and 5 U.S.C. 552(a). In addition to this notice in the **Federal Register**, the Coast Guard will provide the maritime community with extensive advance notification of this enforcement period via the Local Notice to Mariners.

If the Captain of the Port determines that the regulated area need not be enforced for the full duration stated in this notice, he or she may use a Broadcast Notice to Mariners to grant general permission to enter the regulated area.

Dated: April 15, 2008.

D.J. Swatland,

Captain, U.S. Coast Guard, Acting Captain of the Port, Sector San Francisco.

BILLING CODE 4910-15-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R08-OAR-2007-0648; FRL-8563-6]

Approval and Promulgation of State Implementation Plans; States of South Dakota and Wyoming; Interstate Transport of Pollution

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct Final Rule.

SUMMARY: EPA is taking direct final action to approve State Implementation Plans (SIPs) submitted by the States of South Dakota and Wyoming that address interstate transport with respect to the 1997 8-hour ozone and fine particulate matter (PM_{2.5}) National Ambient Air Quality Standards. EPA has determined that the Interstate Transport declarations submitted by South Dakota on May 15, 2007, and by Wyoming on May 3, 2007, satisfy the requirements of the Clean Air Act section 110(a)(2)(D)(i) provisions, also known as the "good neighbor" provisions, that a state SIP contain adequate provisions prohibiting air pollutant emissions from sources or activities in the state from adversely affecting another state. This action is being taken under section 110 of the Clean Air Act.

DATES: This rule is effective on July 7, 2008 without further notice, unless EPA receives adverse comment by June 9, 2008. If adverse comment is received, EPA will publish a timely withdrawal of the direct final rule in the **Federal Register** informing the public that the rule will not take effect.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-R08-OAR-2007-0648, by one of the following methods:

- <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.
