## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57770; File No. SR-Amex-2008-37]

### Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Extending the Roll-Out of the Amex Book Clerk Program

May 2, 2008.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) <sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on May 1, 2008, the American Stock Exchange LLC (“Exchange” or “Amex”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. The Exchange has designated this proposal as non-controversial under section 19(b)(3)(A)(iii) of the Act <sup>3</sup> and Rule 19b-4(f)(6) thereunder,<sup>4</sup> which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange seeks to extend the implementation period of the Amex Book Clerk (“ABC”) program from May 2, 2008 through December 31, 2008. The text of the proposed rule change is available on the Exchange’s Web site (<http://www.amex.com>), at the Exchange’s principal office, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

<sup>3</sup> 15 U.S.C. 78s(b)(3)(A)(iii).

<sup>4</sup> 17 CFR 240.19b-4(f)(6).

#### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Commission recently approved the Exchange’s proposed rule change (1) to eliminate the obligation and ability of an Exchange options specialist to act as an agent in connection with orders in his or her assigned options classes; and (2) to amend certain Exchange rules relating to the operation of the ABC program.<sup>5</sup>

Exchange Rule 995-ANTE originally provided that the roll-out of the ABC Proposal would occur over a six-month period ending on May 1, 2008. The Exchange herein proposes an extension of the roll-out period commencing on May 2, 2008 and ending on December 31, 2008. The Exchange submits that complexities associated with a proposed transaction with NYSE Euronext, Inc. have caused a delay in the original ABC Proposal roll-out schedule. The Exchange believes that an extension of the roll-out of the ABC Proposal through December 31, 2008 will allow the Exchange to complete the implementation and roll-out of the ABC Proposal in a reasonable and measured manner.

As set forth in the ABC Proposal and the Exchange’s Regulatory Circular 2008-03 (January 23, 2008), during the roll-out period, options specialists who continue to operate the customer limit order book will continue to be subject to the same agency obligations as are currently provided under Amex Rules 950-ANTE(l) and 958-ANTE(e).

##### 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) <sup>6</sup> of the Act in general and section 6(b)(5) <sup>7</sup> in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, and processing of information with respect to facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the proposed rule change is not designed to

permit unfair discrimination between customers, issuers, brokers and dealers.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The Exchange has designated the proposed rule change as one that: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days from the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.<sup>8</sup> Therefore, the foregoing rule change has become effective pursuant to section 19(b)(3)(A) of the Act<sup>9</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>10</sup> The Exchange has asked the Commission to waive the operative delay to permit the extension of the implementation period of the ABC program to become operative prior to the 30th day after filing, in order to allow the implementation period to continue without interruption.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest and will allow the Exchange to extend the roll-out of the ABC program, which expired on May 1, 2008, without interruption.<sup>11</sup> Therefore, the Commission designates the proposal operative upon filing.

<sup>8</sup> In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to provide the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. 17 CFR 240.19b-4(f)(6)(iii). The Exchange has fulfilled this requirement.

<sup>9</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>10</sup> 17 CFR 240.19b-4(f)(6).

<sup>11</sup> For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
