

In accordance with the Privacy Act of 1974 (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100-503) and Office of Management and Budget (OMB) Guidelines on the Conduct of Matching Programs (54 FR 25818, June 19, 1989), and OMB Circular A-130, the following information is provided:

1. *Names of Participating Agencies.*

The Department of Education (ED)(recipient agency) and the Department of Justice (DOJ)(source agency).

2. *Purpose of the Match.*

The purpose of this matching program is to ensure that the requirements of section 421 of the Controlled Substances Act (originally enacted as section 5301 of the Anti-Drug Abuse Act of 1988, Pub. L. 100-690, 21 U.S.C. 853a, which was amended and redesignated as section 421 of the Controlled Substances Act by section 1002(d) of the Crime Control Act of 1990, Pub. L. 101-647) (hereinafter referred to as "section 5301") are met.

DOJ is the lead contact agency for information related to section 5301 violations and, as such, provides this data to ED. ED (recipient agency) seeks access to the information contained in the DOJ (source agency) Denial of Federal Benefits Clearinghouse System (DFB) database that is authorized under section 5301 for the purpose of ensuring that Title IV, HEA student financial assistance is not awarded to individuals subject to denial of benefits under court orders issued pursuant to the Denial of Federal Benefits Program.

3. *Authority for Conducting the Matching Program.*

Under section 5301, ED must deny Federal benefits to any individual upon whom a Federal or State court order has imposed a penalty denying eligibility for those benefits. Student financial assistance under Title IV of the HEA is a Federal benefit under section 5301, and ED must, in order to meet its obligations under the HEA, have access to information about individuals who have been declared ineligible under section 5301.

While DOJ provides information about section 5301 individuals who are ineligible for Federal benefits to the General Services Administration (GSA) for inclusion in GSA's List of Parties Excluded from Federal Procurements and Nonprocurement Programs, DOJ and ED have determined that matching against the DOJ database is more efficient and effective than access to the GSA List. The DOJ database has specific information about the Title IV, HEA programs for which individuals are ineligible as well as the expiration of the

debarment period, making the DOJ database more complete than the GSA List. Both of these elements are essential for a successful match.

4. *Categories of Records and Individuals Covered by the Match.*

ED will submit, for verification, records from its Central Processing System files (Federal Student Aid Application File (18-11-01)), the social security number (SSN) and other identifying information for each applicant for Title IV, HEA student financial assistance. ED will use the SSN, date of birth, and the first two letters of an applicant's last name for the match.

The DOJ DFB (OJP-0013) contains the names, SSNs, dates of birth, and other identifying information regarding individuals convicted of Federal or State offenses involving drug trafficking or possession of a controlled substance who have been denied Federal benefits by Federal or State courts. This system of records also contains information concerning the specific program or programs for which benefits have been denied, as well as the duration of the period of ineligibility. DOJ will make available for the matching program the records of only those individuals who have been denied Federal benefits under one or more of the Title IV, HEA programs.

5. *Effective Dates of the Matching Program.*

The matching program will be effective on the last of the following dates: (1) June 19, 2008, the day after the expiration of the current CMA; (2) thirty (30) days after notice of the matching program has been published in the **Federal Register**; or (3) forty (40) days after a report concerning the matching program has been transmitted to OMB and transmitted to the Congress along with a copy of this agreement, unless OMB waives 10 days of this 40-day period for compelling reasons shown, in which case, 30 days after transmission of the report to OMB and Congress.

The matching program will continue for 18 months after the effective date of the CMA and may be extended for an additional 12 months thereafter, if the conditions specified in 5 U.S.C.552a(o)(2)(D) have been met.

6. *Address for Receipt of Public Comments or Inquiries.*
