SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57778; File No. SR-NYSEArca-2008-45]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To List and Trade Shares of the iShares MSCI Emerging Markets Eastern Europe Index Fund

May 5, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 25, 2008, NYSE Arca, Inc. ("NYSE Arca" or

"Exchange"), through its wholly owned subsidiary, NYSE Arca Equities, Inc. ("NYSE Arca Equities"), filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. NYSE Arca filed the proposal pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NYSE Arca proposes to list and trade shares ("Shares") of the iShares MSCI Emerging Markets Eastern Europe Index Fund ("Fund"). The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to list and trade the Shares under NYSE Arca Equities Rule 5.2(j)(3), the Exchange's listing standards for Investment Company Units ("ICUs").⁵ The investment objective of the Fund is to provide investment results that

correspond generally to the price and yield performance, before fees and expenses, of the MSCI Emerging Markets Eastern Europe Index ("Index" or "Underlying Index"). The Index is a free float adjusted market capitalization index designed to measure the equity performance of companies domiciled in four Eastern European emerging market nations: The Czech Republic, Hungary, Poland and Russia.

The Exchange is submitting this proposed rule change because the Underlying Index does not meet all of the "generic" listing requirements of Commentary .01(a)(B) to NYSE Arca Equities Rule 5.2(j)(3) applicable to listing of ICUs based on international or global indexes. The Underlying Index meets all such requirements except for those set forth in Commentary .01(a)(B)(3).⁶ Specifically, the Underlying Index fails to meet the requirement that the most heavily weighted component stock shall not exceed 25% of the weight of the index or portfolio. As of April 2, 2008, Gazprom (Russia) represented 27.28% of the weight of the Underlying Index.

The Exchange represents that: (1) Except for the requirement under Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3) relating to the most heavily weighted component stock, the Shares of the Fund currently satisfy all of the generic listing standards under NYSE Arca Equities Rule 5.2(j)(3);⁷ (2) the continued listing standards under NYSE Arca Equities Rules 5.2(j)(3) and 5.5(g)(2) applicable to ICUs shall apply to the Shares; and (3) the Trust is required to comply with Rule 10A-3 under the Act⁸ for the initial and continued listing of the Shares. In addition, the Exchange represents that the Shares will comply with all other requirements applicable to ICUs including, but not limited to, requirements relating to the dissemination of key information such as the Index value and Intraday Indicative Value, rules governing the trading of equity securities, trading hours, trading halts, surveillance, and Information Bulletin to ETP Holders, as set forth in prior Commission orders approving the generic listing rules

⁵ An ICU is a security that represents an interest in a registered investment company that holds securities comprising, or otherwise based on or representing an interest in, an index or portfolio of securities (or holds securities in another registered investment company that holds securities comprising, or otherwise based on or representing an interest in, an index or portfolio of securities). See NYSE Arca Equities Rule 5.2(j)(3)(A).

⁶ Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3) provides that the most heavily weighted component stock shall not exceed 25% of the weight of the index or portfolio, and the five most heavily weighted component stocks shall not exceed 60% of the weight of the index or portfolio.

applicable to the listing and trading of ICUs.⁹

Detailed descriptions of the Fund, the Underlying Index, procedures for creating and redeeming Shares, transaction fees and expenses, dividends, distributions, taxes, risks, and reports to be distributed to beneficial owners of the Shares can be found in the Registration Statement¹⁰ or on the Web site for the Fund (<http://www.ishares.com>), as applicable.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,¹¹ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹² in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange believes that the proposed rule change will facilitate the listing and trading of an additional type of exchange-traded product that will enhance competition among market participants, to the benefit of investors and the marketplace.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange states that written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and Rule 19b-4(f)(6) thereunder.¹⁴

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay so that the Exchange can list and trade the Shares immediately. The Exchange states that the proposed rule change does not significantly affect the protection of investors or the public interest and does not impose any significant burden on competition. The Exchange also believes that the proposal is non-controversial because, although the Underlying Index fails to meet the requirements set forth in Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3) by a small amount (2.28%), the Shares currently satisfy all of the other applicable generic listing standards under NYSE Arca Equities Rule 5.2(j)(3), and will be subject to all of the continued listing standards under NYSE Arca Equities Rules 5.2(j)(3) and 5.5(g)(2) applicable to ICUs. Additionally, the Exchange represents that the Shares will comply with all other requirements applicable to ICUs.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest.¹⁵ Given that the Shares comply with all

of the NYSE Arca Equities generic listing standards for ICUs (except for narrowly missing the requirement that the most heavily weighted component not exceed 25% of the weight of the Underlying Index), the listing and trading of the Shares by NYSE Arca does not appear to present any novel or significant regulatory issues or impose any significant burden on competition. For these reasons, the Commission designates the proposed rule change as operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-NYSEArca-2008-45 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-NYSEArca-2008-45. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in

¹⁴ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to provide the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has fulfilled this requirement.

¹⁵ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2008-0002]

Retirement Estimator

AGENCY: Social Security Administration (SSA).

ACTION: Notice.

SUMMARY: The Commissioner of Social Security gives notice that SSA intends to add a new calculator to its online Benefit Calculators suite. The Retirement Estimator will allow authenticated individuals to calculate estimates of potential retirement benefits in real-time, based in part on their SSA-maintained records and in part on user-entered information, such as the last year of Social Security earnings. In addition to quick estimates of retirement benefits at specific points such as full retirement age, users may also submit a number of "what if" scenarios based on information they provide regarding future earnings and retirement dates. The estimates can be printed and saved. The initial release of the Retirement Estimator will not reflect offset due to the Windfall Elimination Provision (WEP), or Government Pension Offset (GPO).

SSA currently has four benefit calculators on its Web site—the Quick, Online, WEP and Detailed calculators (<http://www.ssa.gov/planners/calculators.htm>). The Quick Calculator provides a simple, rough estimate based on user-entered date of birth and current year earnings. For more precise estimates, the Online, WEP and Detailed calculators require that the user have

access to his or her Social Security Statement in order to manually key each year of their lifetime earnings for use in the benefit computation. American Customer Satisfaction Index Surveys consistently indicate that less than 25% of users have their Statement available when using the calculators; therefore, 75% of users cannot immediately use the Online, WEP and Detailed calculators. The Detailed Calculator also requires downloading and installing software.

In accordance with OMB Circular A-130 and OMB Memo M-04-04, *E-Authentication Guidelines for Federal Agencies*, SSA conducted an authentication risk assessment. Based on the analysis of the Impact Categories and corresponding Assurance Level Impact Profiles, the Retirement Estimator was assessed at a medium level of risk (Level 2). There will be no disclosure of Personal Identifying Information that could lead to identity theft, no disclosure of address information that could facilitate physical harm, and no disclosure of earnings information from SSA records. Further, the source data cannot be reverse-engineered from the estimate. Based on the risk assessment, a knowledge-based authentication protocol will be used to match user-entered information with SSA records in order to control access to the application. SSA consulted with privacy experts and added additional data matches in the authentication protocol and a "block access" feature that allows clients to prevent online access to their account.

The Retirement Estimator calculator will provide a safe, user-friendly and convenient tool that will: (1) Contribute to financial literacy by helping members of the public plan for retirement; (2) help to promote SSA's online benefit application; and, (3) save Agency resources.

DATES: The Retirement Estimator will be released to the public on July 19, 2008.
