Safe Harbor Water Power Corporation; Notice of Issuance of Order

May 6, 2008.

Safe Harbor Water Power Corporation (Safe Harbor) filed an application for market-based rate authority, with an accompanying rate schedule. The proposed market-based rate schedule provides for the sale of energy and capacity at market-based rates. Safe Harbor also requested waivers of various Commission regulations. In particular, Safe Harbor requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Safe Harbor.

On May 6, 2008, pursuant to delegated authority, the Director, Division of Tariffs and Market Development-West, granted the requests for blanket approval under Part 34 (Director's Order). The Director's Order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard concerning the blanket approvals of issuances of securities or assumptions of liability by Safe Harbor, should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004). The Commission encourages the electronic submission of protests using the FERC Online link at <http://www.ferc.gov>.

Notice is hereby given that the deadline for filing protests is June 5, 2008. Absent a request to be heard in opposition to such blanket approvals by the deadline above, Safe Harbor is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Safe Harbor, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

Docket Nos. ER08-537-000 and ER08-537-001

The Commission reserves the right to require a further showing that neither

public nor private interests will be adversely affected by continued approvals of Safe Harbor's issuance of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link.
