

or MSMF, of the right to nominate a director for election to a portfolio company's board of directors, the right to have an observer on the board of directors or similar rights to participate in the governance or management of the portfolio company will not be interpreted so as to violate this condition 5, if conditions 2(c)(iii)(A) and (B) are met.

6. Any sale, exchange, or other disposition by the Company, MSMF, or MSC of an interest in a security that was acquired in a Co-Investment Transaction or that is an Existing Co-Investment will be accomplished pro rata based on the original investment of each participant unless the Investment Adviser and/or the Investment Committee formulate a recommendation for participation in a disposition on a non-pro rata basis and such recommendation is approved by the Required Majority on the basis that such non-pro rata disposition is in the best interest of the Company and MSMF. The Company, MSMF, and MSC will each bear its own expenses in connection with any disposition, and the terms and conditions of any disposition will apply equally to all participants.

7. Any "follow-on investment" (i.e., an additional investment in the same entity) by the Company, MSMF, or MSC, or any exercising of warrants or other rights to purchase securities of the issuer in a portfolio company whose securities were acquired as an Existing Co-Investment or in a Co-Investment Transaction will be accomplished pro rata based on the original investment of each participant unless the Investment Adviser and/or the Investment Committee formulate a recommendation for participation in the proposed transaction on a non-pro rata basis and such recommendation is approved by the Required Majority on the basis that such non-pro rata participation is in the best interest of the Company and MSMF. The acquisition of follow-on investments as permitted by this condition will be subject to the other conditions set forth in the application.

8. The Independent Directors will be provided quarterly for review all information concerning (1) all investments made by MSC during the preceding quarter and (2) Co-Investment Transactions during the preceding quarter, including investments made by MSC which the Company and/or MSMF considered but declined to participate in, so that the Independent Directors may determine whether the conditions of the order have been met. In addition, the Independent Directors will consider at least annually the continued appropriateness of the standards

established for co-investments by the Company and MSMF, including whether the use of the standards continues to be in the best interests of the Company and its shareholders and does not involve overreaching on the part of any person concerned.

9. The Company and MSMF will maintain the records required by section 57(f)(3) of the Act as if each of the investments permitted under these conditions were approved by the Independent Directors under section 57(f).

10. No Independent Directors will also be a director, general partner or principal, or otherwise an "affiliated person" (as defined in the Act) of, MSC.

11. The expenses, if any, associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction (including, without limitation, the expenses of the distribution of any such securities registered for sale under the Securities Act) shall, to the extent not payable by the Investment Adviser under its investment advisory agreements with MSMF and MSC, be shared by the Company, MSMF, and MSC in proportion to the relative amounts of their securities to be acquired or disposed of, as the case may be.

12. Any transaction fee (including break-up or commitment fees but excluding broker's fees contemplated by section 17(e)(2) of the Act) received in connection with a Co-Investment Transaction will be distributed to the Company, MSMF, and MSC on a pro rata basis based on the amount they invested or committed, as the case may be, in such Co-Investment Transaction. MSC or any affiliated person of the Company will not receive additional compensation or remuneration of any kind (other than (i) the pro rata transaction fees described above and (ii) investment advisory fees paid in accordance with investment advisory agreements with MSMF and MSC) as a result of or in connection with a Co-Investment Transaction.

For the Commission, by the Division of Investment Management, under delegated authority.

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57805; File No. SR-NYSEArca-2008-46]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing of Proposed Rule Change Relating to the Listing and Trading of Shares of the NETS ISEQ 20 Index Fund (Ireland)

May 8, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 8, 2008, NYSE Arca, Inc. ("NYSE Arca" or "Exchange"), through its wholly owned subsidiary, NYSE Arca Equities, Inc. ("NYSE Arca Equities"), filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to list and trade the shares ("Shares") of the NETS ISEQ 20[®] Index Fund (Ireland) ("Fund") issued by the NETS Trust ("Trust"). The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to list and trade the Shares pursuant to NYSE Arca

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Equities Rule 5.2(j)(3), the Exchange's listing standards for Investment Company Units ("ICUs").³ The Fund is an "index fund" that seeks to provide investment results that correspond generally to the price and yield performance, before fees and expenses, of publicly-traded securities in the aggregate in the Irish market, as represented by the ISEQ 20® ("Index"). The primary market for securities in the Index is the Irish Stock Exchange.

The Exchange submits this proposed rule change because the Index for the Fund does not meet all of the "generic" listing requirements of Commentary .01(a)(B) to NYSE Arca Equities Rule 5.2(j)(3) applicable to the listing of ICUs based on international or global indexes. The Index meets all such requirements except for those set forth in Commentary .01(a)(B)(3).⁴ The Exchange represents that: (1) Except for the requirement under Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3) relating to the five most heavily weighted component stocks, the Shares of the Fund currently satisfy all of the generic listing standards under NYSE Arca Equities Rule 5.2(j)(3); (2) the continued listing standards under NYSE Arca Equities Rules 5.2(j)(3) and 5.5(g)(2) applicable to ICUs will apply to the Shares; and (3) the Trust is required to comply with Rule 10A-3 under the Act⁵ for the initial and continued listing of the Shares. In addition, the Exchange represents that the Shares will comply with all other requirements applicable to ICUs including, but not limited to, requirements relating to the dissemination of key information such as the Index value and Intraday Indicative Value, rules governing the trading of equity securities, trading hours, trading halts, surveillance, and Information Bulletin to ETP Holders, as set forth in prior Commission orders approving the generic listing rules

³ An ICU is a security that represents an interest in a registered investment company that holds securities comprising, or otherwise based on or representing an interest in, an index or portfolio of securities (or holds securities in another registered investment company that holds securities comprising, or otherwise based on or representing an interest in, an index or portfolio of securities). See NYSE Arca Equities Rule 5.2(j)(3).

⁴ The Exchange states that the Index satisfies the first requirement under Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3) that the most heavily weighted component stock shall not exceed 25% of the weight of the index or portfolio. However, the Index fails to meet the second requirement of Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3) that the five most heavily weighted component stocks shall not exceed 60% of the weight of the Index. The Exchange states that, as of April 18, 2008, the five most heavily weighted component stocks represented 68.7% of the Index weight.

⁵ See 17 CFR 240.10A-3.

applicable to the listing and trading of ICUs.⁶

The Exchange states that detailed descriptions of the Fund, the Index, procedures for creating and redeeming Shares, transaction fees and expenses, dividends, distributions, taxes, and reports to be distributed to beneficial owners of the Shares can be found in the Trust's Registration Statement⁷ or on the Web site for the Fund (<http://www.netsetfs.com>), as applicable.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁹ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange believes that the proposed rule change will facilitate the listing and trading of additional types of exchange-traded products that will enhance competition among market participants, to the benefit of investors and the marketplace.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange states that written comments on the proposed rule change were neither solicited nor received.

⁶ See, e.g., Securities Exchange Act Release Nos. 55621 (April 12, 2007), 72 FR 19571 (April 18, 2007) (SR-NYSEArca-2006-86) (approving generic listing standards for ICUs based on international or global indexes); 44551 (July 12, 2001), 66 FR 37716 (July 19, 2001) (SR-PCX-2001-14) (approving generic listing standards for ICUs and Portfolio Depository Receipts); and 41983 (October 6, 1999), 64 FR 56008 (October 15, 1999) (SR-PCX-98-29) (approving rules for the listing and trading of ICUs).

⁷ See Registration Statement on Form N-1A dated February 13, 2008 (File Nos. 333-147077 and 811-22140).

⁸ 15 U.S.C. 78f(b).

⁹ 15 U.S.C. 78f(b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

A. By order approve such proposed rule change; or

B. Institute proceedings to determine whether the proposed rule change should be disapproved.

The Exchange has requested accelerated approval of this proposed rule change prior to the 30th day after the date of publication of the notice of the filing thereof. The Commission is considering granting accelerated approval of the proposed rule change at the end of a 15-day comment period.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-NYSEArca-2008-46 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-NYSEArca-2008-46. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than

those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-NYSEArca-2008-46 and should be submitted on or before May 30, 2008.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁰

Florence E. Harmon,
Deputy Secretary.
