ACTION: Notice of amendment to system name and addition of routine uses.

SUMMARY: As required by the Privacy Act of 1974, 5 U.S.C. 552a(e)(4), notice is hereby given that the Department of Veterans Affairs (VA) is amending the system name of the system of records currently identified as "Compensation, Pension, Education, and Rehabilitation Records—VA" (58VA21/22/28) to be identified as "Compensation, Pension, Education, and Vocational Rehabilitation Records—VA" (58VA21/22/28). The system of records is also amended by adding new routine uses for disclosure of identifying information on VA beneficiaries.

DATES: The proposed routine uses will be effective June 19, 2008 unless comments are received before this date that would result in a contrary determination.

SUPPLEMENTARY INFORMATION: VA

proposes to amend the system name of the system of records identified by system number 58VA21/22/28 to better identify the business lines covered by the system of records. The current name "Compensation, Pension, Education, and Rehabilitation Records-VA" is amended to read "Compensation, Pension, Education, and Vocational Rehabilitation Records-VA".

VA also proposes to add additional routine use disclosures to release identifying information on VA beneficiaries to:

1. The National Archives and Records Administration to perform records management inspections under title 44 U.S.C.

2. The Department of Justice (DoJ), court, or other administrative body if the information is relevant to DoJ's representation of the United States in any legal proceedings or if the use of the information is compatible with the purpose for which it was collected.

3. Individuals, organizations, private or public agencies, or other entities with whom VA has a contract, agreement, or subcontract to perform services as VA determines useful for the purposes of laws administered by VA.

4. Federal agencies to assist such agencies in preventing and detecting possible fraud or abuse by individuals in their operations and programs.

5. Appropriate agencies, entities, and persons VA determines are reasonably necessary to assist VA in preventing, minimizing, or remedying a suspected or confirmed compromise of information that may result in embarrassment or harm to the record subjects, harm to economic or property interests, identity theft or fraud, or harm to the security, confidentiality, or integrity of systems maintained by VA, other agencies, or entities that also rely on the potentially compromised information. This routine use will allow VA to provide necessary information in

response to a suspected or confirmed data breach, including conducting a risk analysis or other provision of credit protection as provided in 38 U.S.C. 5724.

The Privacy Act permits VA to disclose information about individuals without their consent for a routine use when the information will be used for a purpose that is compatible with the purpose for which the information was collected. In all of the proposed routine use disclosures, either the recipient of the information will use the information in connection with a matter relating to one of VA's programs, or will use the information to provide a benefit to VA, or disclosure is required by law.

VA has determined that release of information under circumstances such as those described above is a necessary and proper use of the information in this system of records and that the specific routine uses proposed for the transfer of this information are appropriate.

An altered system of records report and a copy of the revised system notice have been sent to the House of Representatives Committee on Government Reform and Oversight, the Senate Committee on Governmental Affairs, and the Office of Management and Budget (OMB), as required by 5 U.S.C. 552a(r) and guidelines issued by OMB (65 FR 77677, December 12, 2000).

The proposed new routine uses 65 through 69 will be added to the system of records entitled "Compensation, Pension, Education, and Rehabilitation Records—VA" (58VA21/22/28), as published in the **Federal Register** at 41 FR 9294 (3/3/76), and amended at 63 FR 37941 (7/14/98), 65 FR 37605 (6/15/00), 66 FR 47725 (9/13/01), and last amended at 70 FR 34186 (6/13/05), with other amendments as cited therein.
