

and a national market system, and, in general, to protect investors and the public interest.

The Commission notes that the proposed rule change is designed to simplify and standardize delegations of authority under the CBOE Rules. The Commission notes that, under the proposed rule change, the Exchange would have the flexibility to delegate authorities under its rules to Exchange staff or an Exchange committee, as appropriate, which could foster greater efficiency from an administrative perspective. The Commission further notes that the Exchange has not proposed any revisions to its current disciplinary, arbitration or appeals procedures (or related Business Conduct, Arbitration and Appeals Committees) as part of the proposed rule change. The Commission believes that CBOE's proposal is consistent with the requirements of the Act.

III. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹¹ that the proposed rule change (SR-CBOE-2008-02) is hereby approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹²

Deputy Secretary.
