#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The Trade Fair Certification (TFC) Program is a service of the U.S. Department of Commerce (DOC) that provides DOC endorsement and support for high quality international trade fairs that are organized by private-sector firms. The TFC Program seeks to broaden the base of U.S. firms, particularly new-to-market companies by introducing them to key international trade fairs where they can achieve their export objectives. Those objectives include one or more of the following: direct sales; identification of local agents or distributors; market research and exposure; and joint venture and licensing opportunities for their products and services. An application is required to make a determination that the trade fair organizer is qualified to organize and manage U.S. exhibitions at an international trade fair, and to ensure that the fair is a good marketing opportunity for U.S. companies.
