GENERAL SERVICES ADMINISTRATION

Multiple Award Schedule Advisory Panel; Notification of Public Advisory Panel Meetings

AGENCY: U.S. General Services Administration (GSA).

ACTION: Notice.

SUMMARY: The U.S. General Services Administration (GSA) Multiple Award Schedule Advisory Panel (MAS Panel), a Federal Advisory Committee, will hold public meetings on the following dates: Monday, June 16, 2008; Tuesday, June 17, 2008; Monday, July 21, 2008; and Monday, August 18, 2008. GSA utilizes the Schedules program to establish long-term Governmentwide contracts with responsible firms to provide Federal, State, and local government customers with access to a wide variety of supplies (products) and services.

The MAS Panel was established to develop advice and recommendations on MAS program pricing policies, provisions, and procedures in the context of current commercial pricing practices. For the next 3 to 4 meeting dates, the Panel plans to focus on three areas: (1) **STAKEHOLDER EXPECTATIONS**—what are our stakeholder expectations of the MAS program; what should be the purpose of the MAS program; and is it structured to serve our stakeholder needs; (2) **ROLES AND RESPONSIBILITIES**—what should be the role and responsibilities of the GSA contracting officer and that of the ordering agency contracting

officer; the need to eliminate duplication at the task order level those pricing determinations made by the GSA contracting officer; and, the management and oversight responsibilities, such as training and assuring consistency in policy; and (3) FAIR AND REASONABLE PRICE DETERMINATIONS—what are the stakeholder expectations for schedule prices; should the GSA contracting officer or the ordering agency contracting officer make the fair and reasonable price determination; the presumption that the schedule contract negotiations result in fair and reasonable prices; and orders issued in compliance with FAR 8.4 ordering procedures result in best value.

To that end, the Panel would like to hear from the many stakeholders of the MAS program. The MAS program stakeholders include, but not limited to, ordering agency contracting officers, customer agency contracting officer, GSA contracting officers, schedule contract holders, Congress, program managers, General Accountability Office, and agency Inspector General Offices. The panel is particularly interested in stakeholder views as to how the issues discussed above may relate differently to the purchase of goods, services, or goods and services that are configured to propose an integrated solution to an agency's needs.
