Tentative Agenda: An agenda for each technical workshop will be posted in advance of the scheduled date at <http://www.congestion09.anl.gov>.

Public Participation: The workshops will be open to the public, and will be simulcast over the Internet. Advance registration for Web cast is required by visiting <http://www.ian.ibeam.com/events/ener001/26552/>. A complete archive of each event will be on this Web site soon after the conclusion of the event, and will be downloadable in podcast format.

Any member of the public interested in offering oral comments at a technical workshop may do so on the day of the workshop, subject to the time available. Approximately one-half hour will be reserved for public comments. Time allotted per speaker will depend on the number who wish to speak but is not expected to exceed three minutes. Anyone who is not able to attend the workshop or has had insufficient time to

present material is invited to submit a written statement in the manner indicated in the **ADDRESSES** portion of this notice, above.

Note: The Department will consult with the States and regional reliability organizations in the preparation of the 2009 Congestion Study. DOE recognizes that in addition to (or as an alternative to) participating in the regional workshops, some States or reliability organizations may wish to discuss congestion matters with the Department on a bilateral basis. DOE will reserve time at the sites of the regional workshops for such bilateral discussions, and it invites interested States or reliability organizations to contact the Department to identify mutually convenient times. In addition, the Department will maintain an “open door” policy, and will schedule congestion meetings at DOE headquarters upon request with States, reliability organizations, Regional Transmission Organizations, Independent System Operators, utilities, and other stakeholders.

[Docket No. ER08–996–000]

CBA Endeavors, LLC; Supplemental Notice That Initial Market-Based Rate Filing Includes Request for Blanket Section 204 Authorization

May 29, 2008.

This is a supplemental notice in the above-referenced proceeding of CBA Endeavor, LLC’s application for market-based rate authority, with an accompanying rate schedule, noting that such application includes a request for blanket authorization, under 18 CFR Part 34, of future issuances of securities and assumptions of liability.

Any person desiring to intervene or to protest should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission’s Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant.

Notice is hereby given that the deadline for filing protests with regard to the applicant’s request for blanket authorization, under 18 CFR Part 34, of future issuances of securities and

assumptions of liability, is June 18, 2008.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St., NE., Washington, DC 20426.

The filings in the above-referenced proceeding are accessible in the Commission’s eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the Commission’s Public Reference Room in Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov or call (866) 208–3676 (toll free). For TTY, call (202) 502–8659.
