DEPARTMENT OF TRANSPORTATION

Office of the Secretary

[Docket No. DOT-OST-2008-0088]

Agency Information Collection; Request for Comments; Clearance of Renewal Approval of Information Collection; Procedures for Transportation Drug Alcohol Testing Program

AGENCY: Office of the Secretary (OST) DOT.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, Public Law 104-13, (44 U.S.C. 3501 *et seq.*) this notice announces the Information Collection Request, abstracted below, is being forwarded to the Office of Management and Budget for extension of the currently approved Procedures for Transportation Drug and Alcohol Testing Program. On March 17, 2008 the Office of Drug and Alcohol Policy and Compliance (ODAPC) published a 60-day notice in the **Federal Register** (73 FR 14300) Docket # OST-2008-0088, informing the public of ODAPC's intention to extend an approved information collection. Specifically, ODAPC solicited comments on whether the information collection is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility. We asked whether the Department's estimate of the burden of the proposed information collection was accurate and for ways to enhance the quality, utility, and clarity of the information to be collected. The Department sought ways to minimize the burden for those who would have to provide information, including the use of automated collection techniques or other forms of information technology. One response, which contained several comments, was made to the docket. Among his comments, the respondent supported the Department's estimated burden hours associated with the collection and handling of each form and provided suggestions for updating the Alcohol Testing Form (ATF) and Management Information System (MIS) form. Each of the respondent's comments were addressed and are explained in the supporting statement to OMB. The ATF and MIS were updated to include an updated Paperwork Reduction Act Burden Statement, the current address of the Department, and DOT form numbers were added. We provided additional instructions on the reverse

side of Page 3 of the ATF that tamper-evident tape must not obscure the printed information. Also, the legends in the test result boxes on the front of the ATF were adjusted and printed in a smaller font so they don't obscure test results printed directly on the ATF.

DATES: Written comments should be submitted by July 11, 2008 and sent to the attention of the DOT/OST Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, Docket library, Room 10102, 725 17th Street, NW., Washington, DC 20503 or oir_submission@omb.eop.gov (e-mail).
