

On page 19383, section V.A.4., HUD is amending this paragraph to read as follows:

**4. Rating Factor 4: Leveraging Resources (15 points)**

This factor evaluates the applicant's ability to leverage (secure) public and/or private sector resources (such as financing, supplies, or services) from sources other than Section 4 that can be added to Section 4 funds to perform eligible activities and sustain the applicant's proposed project. Higher points will be awarded for higher percentages of leveraged resources, compared to the amount of Section 4 funds requested. For leveraging, HUD's Management Plan has a performance goal of ten investment dollars from outside sources in total project development costs for each Section 4 grant awarded. To document leveraging for the FY2008 NOFA, applicants should report their actual results in leveraging Section 4-assisted projects in Federal Fiscal Year 2007 (October 1, 2006–September 30, 2007). All leveraging commitments shall be scanned and attached to the electronic application or submitted via fax using form HUD–96011, "Third Party Documentation Facsimile Transmittal" ("Facsimile Transmittal Form" on Grants.gov) as part of the application.
