Fenamiphos; Product Registration Cancellation Order

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the cancellation, voluntarily requested by the registrant and accepted by the Agency, of certain product registrations containing the pesticide fenamiphos, pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended. This cancellation order follows an April 23, 2008 **Federal Register** Notice of Receipt of Request from the fenamiphos registrant to voluntarily cancel certain fenamiphos product registrations. These are the last fenamiphos products registered for use in the United States. In the April 23, 2008 notice, EPA indicated that it would issue an order implementing the cancellations, unless the Agency received substantive comments within the 30 day comment period that would merit its further review of these requests, or unless the registrant withdrew their request within this period. The Agency did not receive any comments on the notice. Further, the registrant did not withdraw their request. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the fenamiphos products subject to this cancellation order is prohibited in accordance with the terms of this order, including any existing stocks provisions.
