

copies of each report shall be submitted to FDA's Grants Management Office (see section VI of this document).

A Mid-Year Progress Report is also required no later than 90 days after the close of the budget period. The Mid-Year Progress Report should cover 6 months of activity.

Program monitoring of recipients will be conducted on an ongoing basis and written reports will be reviewed and evaluated at least semi-annually by the project officer. Project monitoring may also be in the form of telephone conversations between the project officer/grants management specialist and the principal investigator.

When multiple years are involved, awardees will be required to submit the PHS Non-Competing Grant Progress Report (PHS 2590) <http://grants.nih.gov/grants/funding/2590/2590.htm> annually and financial statements as required in the Department of Health and Human Services Grants Policy Statement. Reports must be submitted two months prior to the next budget period start date. The Progress Report should include a report of the previous meeting supported by the current grant, as well as a full description of the next planned meeting.
