By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to ensure an efficient, practical, reciprocal, and aligned system for investigating and determining suitability for Government employment, contractor employee fitness, and eligibility for access to classified information, while taking appropriate account of title III of Public Law 108–458, it is hereby ordered as follows:

#### PART 1—POLICY, APPLICABILITY, AND DEFINITIONS

**Section 1.1. Policy.** Executive branch policies and procedures relating to suitability, contractor employee fitness, eligibility to hold a sensitive position, access to federally controlled facilities and information systems, and eligibility for access to classified information shall be aligned using consistent standards to the extent possible, provide for reciprocal recognition, and shall ensure cost-effective, timely, and efficient protection of the national interest, while providing fair treatment to those upon whom the Federal Government relies to conduct our Nation's business and protect national security.

**Sec. 1.2. Applicability.** (a) This order applies to all covered individuals as defined in section 1.3(g), except that:

- (i) the provisions regarding eligibility for physical access to federally controlled facilities and logical access to federally controlled information systems do not apply to individuals exempted in accordance with guidance pursuant to the Federal Information Security Management Act (title III of Public Law 107–347) and Homeland Security Presidential Directive 12; and
- (ii) the qualification standards for enlistment, appointment, and induction into the Armed Forces pursuant to title 10, United States Code, are unaffected by this order.

(b) This order also applies to investigations and determinations of eligibility for access to classified information for employees of agencies working in or for the legislative or judicial branches when those investigations or determinations are conducted by the executive branch.

**Sec. 1.3. Definitions.** For the purpose of this order: (a) “Adjudication” means the evaluation of pertinent data in a background investigation, as well as any other available information that is relevant and reliable, to determine whether a covered individual is:

- (i) suitable for Government employment;
- (ii) eligible for logical and physical access;
- (iii) eligible for access to classified information;
- (iv) eligible to hold a sensitive position; or
- (v) fit to perform work for or on behalf of the Government as a contractor employee.

(b) “Agency” means any “Executive agency” as defined in section 105 of title 5, United States Code, including the “military departments,” as defined in section 102 of title 5, United States Code, and any other entity

within the executive branch that comes into possession of classified information or has designated positions as sensitive, except such an entity headed by an officer who is not a covered individual.

(c) “Classified information” means information that has been determined pursuant to Executive Order 12958 of April 17, 1995, as amended, or a successor or predecessor order, or the Atomic Energy Act of 1954 (42 U.S.C. 2011 *et seq.*) to require protection against unauthorized disclosure.

(d) “Continuous evaluation” means reviewing the background of an individual who has been determined to be eligible for access to classified information (including additional or new checks of commercial databases, Government databases, and other information lawfully available to security officials) at any time during the period of eligibility to determine whether that individual continues to meet the requirements for eligibility for access to classified information.

(e) “Contractor” means an expert or consultant (not appointed under section 3109 of title 5, United States Code) to an agency; an industrial or commercial contractor, licensee, certificate holder, or grantee of any agency, including all subcontractors; a personal services contractor; or any other category of person who performs work for or on behalf of an agency (but not a Federal employee).

**Sec. 2.1. Aligned System.** (a) Investigations and adjudications of covered individuals who require a determination of suitability, eligibility for logical and physical access, eligibility to hold a sensitive position, eligibility for access to classified information, and, as appropriate, contractor employee fitness, shall be aligned using consistent standards to the extent possible. Each successively higher level of investigation and adjudication shall build upon, but not duplicate, the ones below it.

(b) The aligned system shall employ updated and consistent standards and methods, enable innovations with enterprise information technology capabilities and end-to-end automation to the extent practicable, and ensure that relevant information maintained by agencies can be accessed and shared

(c) Except as otherwise authorized by law, background investigations and adjudications shall be mutually and reciprocally accepted by all agencies. An agency may not establish additional investigative or adjudicative requirements (other than requirements for the conduct of a polygraph examination consistent with law, directive, or regulation) that exceed the requirements for suitability, contractor employee fitness, eligibility for logical or physical access, eligibility to hold a sensitive position, or eligibility for access to classified information without the approval of the Suitability Executive Agent or Security Executive Agent, as appropriate, and provided that approval to establish additional requirements shall be limited to circumstances where additional requirements are necessary to address significant needs unique to the agency involved or to protect national security.
