SUPPLEMENTARY INFORMATION:

I. Background: Fair Labor Standards Act (FLSA) section 3(l), 29 U.S.C. 203(l), provides, in part, that an employer may protect against unwitting employment of "oppressive child labor," as defined in section 3(l), by having on file an unexpired certificate issued pursuant to Department of Labor regulations certifying that the named person meets the FLSA minimum age requirements for employment. FLSA section 11(c) requires all employers covered by the FLSA to make, keep, and preserve records of employees and of wages, hours, and other conditions and practices of employment. A FLSA covered employer must maintain the records for such period of time and

make such reports as prescribed by regulations issued by the Secretary of Labor. Form WH-14 is the application employers submit to obtain Federal Certificates of Age to protect themselves against unwitting child labor violations of the Fair Labor Standards Act. This information collection is currently approved for use through December 31, 2008.
