DEPARTMENT OF ENERGY

Agency Information Collection Extension

AGENCY: U.S. Department of Energy.

ACTION: Notice and request for comments.

SUMMARY: The Department of Energy (DOE), pursuant to the Paperwork Reduction Act of 1995, intends to extend for three years, an information collection package with the Office of Management and Budget (OMB) concerning information "Technology Partnerships Ombudsmen Reporting Requirements." The Technology Transfer Ombudsman appointed at each DOE National Laboratory must submit reports to DOE on the number and nature of complaints and disputes raised by outside organizations regarding the policies and actions of

each laboratory with respect to technology transfer partnerships, including Cooperative Research and Development Agreements, patents, and technology licensing. The reports must also include an assessment of the ombudsman's resolution to the disputes. Comments are invited on: (a) Whether the extended collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

DATES: Comments regarding this proposed information collection must be received on or before September 2, 2008. If you anticipate difficulty in submitting comments within that period, contact the person listed below as soon as possible.
