SUPPLEMENTARY INFORMATION:

Background

On May 16, 2007, U.S. Customs and Border Protection (CBP) published a General Notice in the Federal Register (72 FR 27632) announcing a revision of the terms and conditions that must be followed as a condition for access to the ACE Portal. The notice specified that no further action would be required by ACE Portal Trade Account Owners for those ACE Portal Accounts already established with CBP with the proper Account Owner listed.

The principal changes to the ACE terms and conditions included a revised definition of “Account Owner” to permit either an individual or a legal entity to serve in this capacity, new requirements relating to providing notice to CBP when there has been a material change in the status of the Account and/or Trade Account Owner, and explanatory provisions as to how the information from a particular account may be accessed through the ACE Portal when that account is transferred to a new owner.

Terms and Conditions Document

The purpose of the Terms and Conditions document is to set forth the obligations and responsibilities of those parties accessing an ACE Portal account on behalf of an Account. An ACE Portal account, as described in that document, referred to a party who had volunteered to participate in any ACE test and has an ACE Portal account.

At the time of publication of the Terms and Conditions document in the Federal Register on May 16, 2007, the business categories that could establish ACE Portal accounts consisted of importers, brokers, and carriers. However, CBP published a subsequent General Notice in the Federal Register on October 18, 2007 (72 FR 59105), announcing, among other things, enhanced Portal functionality and an expansion of the business categories that may establish ACE Portal accounts.    Security Policy

   Provision V of the May 16, 2007, Terms and Conditions document addresses Failure to Access the Portal. Specifically, this provision states that failure of an Account Owner to access the ACE Portal for a period of ninety (90) days consecutively will result in the termination of access to the ACE Portal. Access may be restored by calling the Help Desk or by following the “forgot your password” prompt found on the ACE Portal log-in page. The failure of a Proxy Account Owner or an Account User to access the ACE Portal for a period of ninety (90) days consecutively will result in the termination of access to the ACE Portal for the Proxy Account Owner or Account User. Access may only be restored upon re-authorization by the Account Owner.

Change in Security Policy

To meet security guidelines established by the Department of Homeland Security, CBP is implementing a new policy as it relates to account access that changes the period of allowable inactivity from ninety (90) days to forty-five (45) days. As such, if forty-five (45) consecutive days elapse without an Account owner accessing the ACE Portal, access to the Portal will be terminated. Access may only be restored by calling the Help Desk. Similarly, if forty-five (45) consecutive days elapse without a Proxy Account Owner or an Account User accessing the ACE portal, access to the Portal will also be terminated for the Proxy Account Owner or Account User. Access may only be restored by calling the Help Desk. The Account Owner may no longer re-authorize access for the Proxy Account Owner or the Account User.
