

through education of marketing executives and their agency representatives and to raise awareness of these networks. The OVAB's mission is to develop pro-competitive industry guidelines to make it easier for media planning and buying agencies to plan, buy, and evaluate the effectiveness of advertising on out of home video networks. The OVAB is currently developing the Audience Metrics Guidelines, which seek to provide the basis for a comparable set of audience metrics produced by a variety of quality methods, each well suited to a specific venue and its network. The OVAB's voluntary consensus standards are developed by OVAB members and other interested parties who wish to participate in the OVAB's standards and development process.
