

Cash-Deposit Requirements

The following cash-deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) for CPZ, the cash deposit rate will be that established in the final results of this review, except if the rate is zero or de minimis no cash deposit will be required; (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 60.95 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act, and 19 CFR 351.221(b).

Dated: June 30, 2008.

David M. Spooner,

Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:

I. Abstract

The objective of these surveys is to assess the level of awareness on issues related to regulations preventing feeding/harassment of wild bottlenose dolphins, which are protected under the Marine Mammal Protection Act. In particular, the surveys are designed to determine what commercial operators and the general public know about specific regulations prohibiting feeding and harassment of bottlenose dolphins, and how they gained their knowledge and/or perceptions on the topic. The initial geographic region for this survey is Panama City, Florida, where numerous incidences of dolphin harassment and feeding have been documented. The intent is to also use this survey in other areas of the southeast region to gain a similar understanding and ensure outreach messages are appropriate for intended audiences.

The recordkeeping and reporting requirements at 50 CFR part 679 form the basis for this collection of information. The National Marine Fisheries Service (NMFS) will request information from local residents, tourists and commercial businesses through a one-time survey. This information, upon receipt, will be used to develop effective and better-targeted outreach efforts in order to enhance bottlenose dolphin conservation in Florida.
