DEPARTMENT OF THE TREASURY

Bureau of the Public Debt

Privacy Act of 1974; Systems of Records

AGENCY: Bureau of the Public Debt, Treasury.

ACTION: Notice of systems of records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended, 5 U.S.C. 552a, the Bureau of the Public Debt, Treasury, is publishing its inventory of Privacy Act systems of records.

SUPPLEMENTARY INFORMATION: Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a) and the Office of Management and Budget (OMB), Circular No. A-130, the Bureau of the Public Debt (BPD) has completed a review of its Privacy Act systems of records notices to identify changes that will more accurately describe these records. The systems of records were last published in their entirety on June 10, 2005, at 70 FR 33939-33955.

On May 22, 2007, the Office of Management and Budget (OMB) issued Memorandum M-07-16 entitled "Safeguarding Against and Responding to the Breach of Personally Identifiable Information." It required agencies to publish the routine use recommended by the President's Identity Theft Task Force. As part of that effort, the Department published the notice of the proposed routine use on October 3, 2007, at 72 FR 56434, and it was effective on November 13, 2007. The new routine use has been added to each BPD system of records below. Other changes throughout the document are editorial in nature and consist principally of revising address information, minor editorial changes and editing of headings for consistency.

Department of the Treasury regulations require the Department to publish the existence and character of all systems of records every three years (31 CFR 1.23(a)(1)). BPD has leveraged this requirement to incorporate the review of its current holding of personally identifiable information required by M-07-16. With respect to its inventory of Privacy Act systems of records, BPD has determined that the information contained in its systems of records is accurate, timely, relevant, complete, and is the minimum necessary to maintain the proper

performance of a documented agency function.

This notice covers all systems of records adopted by the Bureau of the Public Debt up to January 1, 2008. The systems notices are reprinted in their entirety following the Table of Contents.
