BILLING CODE 9110-10-P**DEPARTMENT OF THE INTERIOR****Office of the Secretary****Privacy Act of 1974; Amendment of Existing System of Records****AGENCY:** Office of the Secretary.

ACTION: Proposed amendment of existing Privacy Act system of records.

SUMMARY: In accordance with the Privacy Act of 1974 (5 U.S.C. 552a), the Office of the Secretary of the Department of the Interior is issuing public notice of its intent to amend an existing Privacy Act system of records notice, Interior, DOI-90, "Federal Financial System." The changes will update the name of the system, system location, categories of individuals covered by the system, categories of records in the system, routine uses of records, storage and safeguard requirements, retrievability of records, and system manager(s) and address(es).

DATES: Comments must be received by September 8, 2008.

ADDRESSES: Any persons interested in commenting on these proposed amendments to an existing system of records may do so by submitting comments in writing to the Office of the Secretary Acting Privacy Act Officer, Linda Thomas, U.S. Department of the Interior, MS-116 SIB, 1951 Constitution Avenue, NW., Washington, DC 20240, or by e-mail to Linda_Thomas@nbc.gov.

FOR FURTHER INFORMATION CONTACT: Office of the Secretary Acting Privacy Act Officer, Linda Thomas, U.S. Department of the Interior, MS-116 SIB, 1951 Constitution Avenue, NW., Washington, DC 20240, or by e-mail to Linda_Thomas@nbc.gov.

SUPPLEMENTARY INFORMATION: The Office of the Secretary is proposing to amend an existing Privacy Act system of records notice, Interior, DOI-90, "Federal Financial System," because the Department of the Interior (DOI) is in the process of replacing the Federal Financial System (FFS) with the Financial and Business Management System (FBMS). In the process, it is restricting the contents of this particular system of records to those pertaining to the acquisition of goods and services within DOI to identify more clearly the categories of records included in this system and the parties to whom these records may be disclosed on a routine basis, and renaming the system DOI-87, "Acquisition of Goods and Services: FBMS." Other portions of the records previously covered by Interior, DOI-90 will be covered by Interior, DOI-86, "Accounts Receivable: FBMS," Interior, DOI-88, "Travel Management: FBMS," and Interior, DOI-89, "Grants and Cooperative Agreements: FBMS." Interior, DOI-90 will be deleted upon final publication of all four of these notices.

FBMS will provide the Department of the Interior with standard business

practices supported by a single, integrated finance and administrative system for all bureaus; it will help DOI manage a variety of business functions, including the acquisition of goods and services. FBMS takes a comprehensive approach to improving the current business functions in its core systems by replacing DOI's current computer systems with modern software. The combination of standardized business practices and enhanced computer system functionality will enable DOI's bureaus and offices to improve service to their customers and to operate more efficiently. Benefits gained from implementing this suite of applications will include the ability to access and share real-time, accurate business information; to support effective business decisions for mission delivery; to issue accurate financial reports and analysis of managerial data; to support timely decision-making in the field; to free-up more time for mission-focused activities; to focus on value-added analysis rather than data gathering; and to eliminate redundant administrative tasks and multiple login screens.

DOI has adopted a multi-year, phased approach to implementing FBMS, both in terms of functionality, and in terms of the migration of the Department's component bureaus and offices from FFS and other associated systems, to FBMS. DOI plans to complete its implementation of FBMS by calendar year 2013.

Towards that end, these amendments will be effective as proposed at the end of the comment period unless comments are received which would require a contrary determination. The Department will publish a revised notice if changes are made based upon a review of comments received.

Linda Thomas,

Office of the Secretary Acting Privacy Officer.
