Written Submissions: The Commission does not plan to hold a public hearing in connection with preparation of these reports. However, interested persons are invited to submit written statements containing data and other information concerning the matters to be addressed. All submissions should be addressed to the Secretary, and should be received no later than the close of business on September 11, 2008. The Commission will not publish such confidential business information in the monitoring reports it posts on its Web site in a manner that would reveal the operations of the firm supplying the information. However, the Commission may include such information in any report it sends to the President under section 202 of the Trade Act of 1974 or section 302 of the NAFTA Implementation Act, if it is required to

conduct an investigation involving these products under either of these statutory authorities.
