Applications for Stand Down funds will be accepted from State Workforce Agencies and State and local Workforce Investment Boards, Veterans Service Organizations (VSO), local public...
agencies, and non-profit organizations, including community and faith-based organizations. USDOL is not authorized to award grant funds to organizations that are registered with Internal Revenue Service (IRS) as a 501(c)(4) organization.

Any events approved in Fiscal Year 2008 must be held prior to 12/31/08. Applications for events planned in Fiscal Year 2009 must be received at least sixty (60) days prior to the event and no later than July 30, 2009.

Applications for events planned in Fiscal Year 2010 must be received at least sixty (60) days prior to the event and no later than July 30, 2010.

SUPPLEMENTARY INFORMATION:

I. Funding Opportunity Description

Stand Down is a military term referring to an opportunity to achieve a brief respite from combat. Troops would assemble in a base camp to receive new clothing, hot food, and a relative degree of safety before returning to the front. Today more than 160 organizations across the country partner with local businesses, government agencies, and community- and faith-based service providers to hold Stand Down events for homeless veterans and their families in the local community.

Each year, the Assistant Secretary for Veterans’ Employment and Training awards Homeless Veterans’ Reintegration Program (HVRP) grants to programs that enhance employment and training opportunities and/or promote self-sufficiency for homeless veterans. Residual HVRP funds can be awarded as grants to organizations sponsoring Stand Down events for homeless veterans.

The critical services provided at a Stand Down are often the catalyst that enables homeless veterans to reenter mainstream society. Typically, some of the services available at these events include temporary shelter, showers, haircuts, meals, clothing, hygiene kits, medical examinations, immunizations, legal advice, Identification cards, veterans benefit information, training program information, employment services, and referral to other supportive services. For the purpose of this Stand Down grant award, applicants must plan and indicate in writing in their grant application package to provide the following minimum services to homeless veteran participants:

- Department of Veterans Affairs medical and mental health services;
- Department of Labor—State Workforce Agency employment and training services to include Disabled Veterans’ Outreach Program and Local Veterans’ Employment Representatives participation where available;
- An assortment of hot and/or cold foods to provide to homeless veteran participants;
- An assortment of clothing appropriate for the local climate to provide to homeless veteran participants;
- Referral services to secure emergency housing on-the-spot for homeless veteran participants.

II. Allowable Costs

Stand Down grant funds must be used to enhance employment and training opportunities or to promote self-sufficiency for homeless veterans. The funds may be used to support Stand Down activities such as:

- The purchase of food, bottled water, clothing, sleeping bags, one-person tents, backpacks filled with non-perishable foods, and hygiene care kits;
- Rental of facilities and/or tents for the duration of the Stand Down event;
- Payment for special one-time electricity costs, equipment rentals, advertising, event posters, portable toilets, janitorial/kitchen supplies, and communications/Internet access for the duration of the Stand Down event;
- The hiring of security personnel for the duration of the event;
- Rental of transportation equipment (bus, van, car, taxi, etc.) and/or actual gasoline expenses of volunteer drivers to provide transportation of homeless veterans to and from the Stand Down event; and
- Other pertinent items and services for homeless veteran participants as deemed appropriate by USDOL—VETS.

III. Funding Restrictions

Stand Down grant funds may not be used to pay for administrative costs and administrative and/or programmatic staff, because these events are usually an all “volunteer” effort. Stand Down grant funds may not be used to purchase special monogrammed tee shirts, pen sets, specialty hats (unless for cold weather use), military and veteran type patches, identification gifts for staff members/visitors/volunteers, and any other supplementary/replacement item(s) that has not been approved by the DVET/GOTR.

IV. Award Information

The maximum amount that can be awarded to support a local Stand Down event is $10,000 per applicant per year. If the event is held for one (1) day, the maximum amount that can be awarded is $7,000.

Stand Down funding is a non-competitive grant awarded on a first-come, first-served basis until available residual funding is exhausted. Funding is subject to approval by the Grant Officer. If approved, the grantee will receive a grant award document and financial form to complete in order for USDOL Office of Financial Management to set-up an account in the Health and Human Services, Payment Management System (HHS/PMS) to electronically draw down funds.

If awarded funds, the grantee must submit the completed HHS/PMS financial forms directly to the USDOL, Division of Financial Management Operations in order to electronically draw down funds. The financial forms should be sent via FedEx, UPS, or other non-U.S. Postal Service provider to avoid processing delays. If grantee has previously set-up an electronic HHS/PMS account, additional awarded funds will be added into that existing bank account unless otherwise noticed in writing. Questions or problems relating to the HHS/PMS paperwork or processes should be referred to the USDOL Office of Financial management at (202) 693–4479.

Upon receipt of grant award financial documents, HHS/PMS will forward a packet of instructions to the grantee on how to set up a payment account. After setting up the account, the grantee will be able to draw down funds to reimburse approved expenses already incurred and to cover approved expenses that will be paid within three (3) days of the draw down. Funds requested for draw down through the HHS/PMS are directly deposited into the account within 24 hours of the request.

Since grantees may draw funds down in more than one quarter, up to and after the date of the Stand Down event, grantees are required to complete a PSC Federal Cash Transaction Report (PS 272) no later than forty-five (45) days after the end of each quarter in which grantees received all or part of their grant award (February 15th, May 15th, August 15th, and November 15th).

Instructions for completing this requirement are provided in the HHS/PMS information packet. Grantees are to print hard copies of all PSC 272s submitted to HHS/PMS and provide them with their After Action Activity and Expenditure Report submitted to their appropriate DVET/GOTR.

An original signed invoice or list of all items purchased with USDOL–VETS grant funding;

Original sales receipts of items purchased with USDOL–VETS funding;

Note, some planned expenditure items are donated at the last minute for these events, therefore, actual expenditures are subject to change. If budget revisions are needed, grantees are to seek prior approval from their appropriate DVET/GOTR;

SF 269A, Financial Status Reports are to be electronically data entered into E-grants and a signed and dated copy provided to the appropriate DVET/GOTR. Access to E-grants will be provided upon award. SF 269A Financial Status Report forms are available for download at: www.grants.gov.

Grantees are to submit the Stand Down Activity and Expenditure Report to the appropriate DVET/GOTR. The DVET/GOTR will review the report to ensure it is complete and accurate and that all expenditures are appropriate, and allowable.

To prevent processing delays and/or the need to recoup over payments, grantees should wait for notification from the DVET/GOTR that the report has been reviewed and approved at the VETS regional level prior to entering financial reports into E-grants, and prior to sending the originals to Procurement Services. After notification from the DVET/GOTR, grantees are to distribute the Activity and Expenditure Report as follows:

MILLENIUM CHALLENGE CORPORATION

[MCC FR 08–08]
Notice of Amendment To Compact With the Government of the Republic of Madagascar

AGENCY: Millennium Challenge Corporation.

ACTION: Notice.

Dated: July 29, 2008.

Henry Pitney,
Deputy General Counsel, Millennium Challenge Corporation

Summary of Amendment to Millennium Challenge Compact With the Government of the Republic of Madagascar

The Board of Directors of the Millennium Challenge Corporation (MCC) has approved an amendment (the Amendment) to the existing approximately $160.8 million, four-year Millennium Challenge Compact between the United States of America, acting through MCC, and the Government of the Republic of Madagascar (the Compact).

Background

The Compact was signed April 18, 2005, entered into force on July 27, 2005 and, under its original terms, would have terminated on July 26, 2009. It is the only compact entered into by MCC with a four-year rather than a five-year term. The main objectives of the Compact consist of raising incomes in rural areas by increasing land rights security and improving land administration capacity, expanding the financial sector, and increasing investment in farms and other rural businesses in five high-potential investment zones. The extension of the Compact term is intended to allow a more complete achievement of the Compact’s goals and enhance the sustainability of the investments being made under the Compact.

Scope of the Amendment

The Amendment extends the term of the Compact for a single additional year without making changes to either the scope of program activities or the level of funds currently obligated under the Compact. The Amendment also conforms the Compact’s administrative winding up provision to the related provision in other compacts that have been entered into since the Compact was signed. Finally, the Amendment updates information with respect to the title of the MCC principal representative under the Compact.

Reasons for the Amendment

The Government of Madagascar is unlikely to achieve all of the project objectives as defined in the Compact by its original termination date in July 2009. While MCC’s and the Government of Madagascar’s efforts continue to keep Compact objective realization moving forward and are resulting in increased disbursement rates, the time allotted for implementation of several major...
