I. General Information

A. How Can I Get Copies of This Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action under Docket ID No. EPA-HQ-OECA-2008-0230.

The official public docket consists of the Consent Agreement, proposed Final Order, and any public comments received. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the Enforcement and Compliance Docket Information Center (ECDIC) in the EPA Docket Center, (EPA/DC) EPA West, Room B102, 1301 Constitution Ave., NW., Washington, DC. The EPA Docket Center Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is (202) 566-1744, and the telephone number for the ECDIC is (202) 566-1752. A reasonable fee may be charged by EPA for copying docket materials.

2. *Electronic Access.* You may access this **Federal Register** document electronically through the EPA Internet under the "Federal Register" listings at <http://www.epa.gov/fedrgstr/>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents

of the official public docket, and to access those documents in the public docket that are available electronically. Once in the system, select "search," then key in the appropriate docket identification number.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Section I.A.1.

For public commentors, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in EPA's electronic public docket. The entire printed comment, including the copyrighted material, will be available in the public docket.

Public comments submitted on computer disks that are mailed or delivered to the docket will be transferred to EPA's electronic public docket. Public comments that are mailed or delivered to the Docket will be scanned and placed in EPA's electronic public docket. Where practical, physical objects will be photographed, and the photograph will be placed in EPA's electronic public docket along with a brief description written by the docket staff.

B. How and To Whom Do I Submit Comments?

You may submit comments electronically, by mail, or through hand delivery/courier. To ensure proper

receipt by EPA, identify the appropriate docket identification number in the subject line on the first page of your comment. Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." EPA is not required to consider these late comments.

1. *Electronically.* If you submit an electronic comment as prescribed below, EPA recommends that you include your name, mailing address, and an e-mail address or other contact information in the body of your comment. Also include this contact information on the outside of any disk or CD-ROM you submit, and in any cover letter accompanying the disk or CD-ROM. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. EPA's policy is that EPA will not edit your comment, and any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

i. *EPA Dockets.* Your use of EPA's electronic public docket to submit comments to EPA electronically is EPA's preferred method for receiving comments. Go directly to EPA Dockets at <http://www.epa.gov/edocket> and follow the online instructions for submitting comments. Once in the system, select "search," and then key in Docket ID No. EPA-HQ-OECA-2008-0230. The system is an "anonymous access" system, which means EPA will not know your identity, e-mail address, or other contact information unless you provide it in the body of your comment.

ii. *E-mail.* Comments may be sent by electronic mail (e-mail) to docket.oeca@epa.gov, Attention Docket ID No. EPA-HQ-OECA-2008-0230. In contrast to EPA's electronic public docket, EPA's e-mail system is not an "anonymous access" system. If you send an e-mail comment directly to the Docket without going through EPA's electronic public docket, EPA's e-mail system automatically captures your e-mail address. E-mail addresses that are automatically captured by EPA's e-mail system are included as part of the comment that is placed in the official

public docket, and made available in EPA's electronic public docket.

iii. *Disk or CD-ROM.* You may submit comments on a disk or CD-ROM that you mail to the mailing address identified in Section I.A.1. These electronic submissions will be accepted in WordPerfect or ASCII file format. Avoid the use of special characters and any form of encryption.

2. *By Mail.* Send your comments to: Enforcement and Compliance Docket Information Center, Environmental Protection Agency, Mailcode: 2201T, 1200 Pennsylvania Ave., NW., Washington, DC, 20460, Attention Docket ID No. EPA-HQ-OECA-2008-0230.

3. *By Hand Delivery or Courier.* Deliver your comments to the address provided in Section I.A.1., Attention Docket ID No. EPA-HQ-OECA-2008-0230. Such deliveries are only accepted during the Docket's normal hours of operation as identified in Section I.A.1.

C. How Should I Submit CBI to the Agency?

Do not submit information that you consider to be CBI electronically through EPA's electronic public docket or by e-mail. You may claim information that you submit to EPA as CBI by marking any part or all of that information as CBI (if you submit CBI on disk or CD-ROM, mark the outside of the disk or CD-ROM as CBI and then identify electronically within the disk or CD-ROM the specific information that is CBI). Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR Part 2.

In addition to one complete version of the comment that includes any information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket and EPA's electronic public docket. If you submit the copy that does not contain CBI on disk or CD-ROM, mark the outside of the disk or CD-ROM clearly that it does not contain CBI. Information not marked as CBI will be included in the public docket and EPA's electronic public docket without prior notice. If you have any questions about CBI or the procedures for claiming CBI, please consult the person identified in the **FOR FURTHER INFORMATION CONTACT** section.

II. Background

Windstream Corporation is a telecommunications company providing voice, broadband, and entertainment services to customers in sixteen (16) states, and is incorporated in the State of Delaware. Windstream disclosed,

pursuant to EPA's policy entitled "Incentives for Self-Policing: Discovery, Disclosure, Correction and Prevention of Violations" (Audit Policy), 65 FR 19618 (April 11, 2000), violations of the CWA and EPCRA, and their implementing regulations.

Specifically, Windstream disclosed that it failed to prepare and implement a Spill Prevention, Control, and Countermeasure (SPCC) Plan for its Concord, NC facility in violation of CWA Section 311(j), 33 U.S.C. 1321(j), and 40 CFR part 112. EPA, as authorized by CWA Section 311(b)(6), 33 U.S.C. 1321(b)(6), has assessed a civil penalty for this violation.

In addition, Respondent disclosed that it had failed to comply with EPCRA Section 312, 42 U.S.C. 11022, and the regulations found at 40 CFR 370.25, when it failed to prepare and submit emergency and chemical inventory forms to the Local Emergency Planning Commission (LEPC), the State Emergency Response Committee (SERC), and the fire department with jurisdiction over each facility, at the following facilities: Brownfield, TX; Dalhart, TX; Dimmitt, TX; Dumas, TX; Hubbard, TX; Levelland, TX; Glen Rose, TX; Littlefield, TX; Crockett, TX; DeKalb, TX; Spearman, TX; Seymour, TX; Pecos, TX; Newton, TX; Lubbock, TX; Trinity, TX; Texarkana, TX; New Boston, TX; Memphis, TX; Fairfield, TX; Crosbyton, TX; Higgins, TX; Follett, TX; Darrrouzett, TX; Panhandle, TX; Lamesa, TX; Claude, TX; MoBeetie, TX; Burkeville, TX; Baird, TX; Hart, TX; Orla, TX; Perryton, TX; Cuba, NM; Ruidoso, NM; White City, NM; Hobbs, NM; Espanola, NM; Checotah, OK; Wagoner, OK; Barnsdall, OK; Lindsay, OK; Albemarle, NC; Charlotte, NC; Concord, NC; and Harrisburg, NC. EPA, as authorized by EPCRA Section 325, 42 U.S.C. 11045, has assessed a civil penalty for these violations.

EPA determined that Respondent met the criteria set out in the Audit Policy for a 100% waiver of the gravity component of the penalty for the CWA and EPCRA violations. Therefore, EPA proposes to waive the gravity-based penalty of \$414,290 and proposes a settlement penalty amount of \$11,333. This is the amount of the economic benefit gained by Respondent, attributable to its delayed compliance with the CWA and EPCRA regulations. Of this amount, \$861 is attributable to the CWA-SPCC violation, and \$10,472 is attributable to the EPCRA violations.

The total civil penalty assessed for settlement purposes is eleven thousand three hundred and thirty-three dollars (\$11,333). Respondent has agreed to pay this amount. EPA and Respondent

negotiated and signed an administrative Consent Agreement, following the Consolidated Rules of Practice, 40 CFR 22.13(b), on June 27, 2008 (*In Re: Windstream Corporation*, Docket Nos. CWA-HQ-2008-8001, EPCRA-HQ-2008-8001). This Consent Agreement is subject to public notice and comment under CWA Section 311(b)(6), 33 U.S.C. 1321(b)(6).

Under CWA Section 311(b)(6)(A), 33 U.S.C. 1321(b)(6)(A), any owner, operator, or person in charge of a vessel, onshore facility, or offshore facility from which oil is discharged in violation of CWA Section 311(b)(3), 33 U.S.C. 1321(b)(3), or who fails or refuses to comply with any regulations that have been issued under CWA Section 311(j), 33 U.S.C. 1321(j), may be assessed an administrative civil penalty of up to \$157,500 by EPA. Class II proceedings under CWA Section 311(b)(6), 33 U.S.C. 1321(b)(6), are conducted in accordance with 40 CFR Part 22.

Under EPCRA Section 325, 42 U.S.C. 11045, the Administrator may issue an administrative order assessing a civil penalty against any person who has violated applicable emergency planning or right-to-know requirements, or any other requirement of EPCRA. Proceedings under EPCRA Section 325, 42 U.S.C. 11045, are conducted in accordance with 40 CFR Part 22.

The procedures by which the public may comment on a proposed Class II penalty order, or participate in a CWA Class II penalty proceeding, are set forth in 40 CFR 22.45. The deadline for submitting public comment on this Consent Agreement is September 2, 2008. All comments will be transferred to the Environmental Appeals Board (EAB) of EPA for consideration. The powers and duties of the EAB are outlined in 40 CFR 22.4(a).

Pursuant to CWA Section 311(b)(6)(C), 33 U.S.C. 1321(b)(6)(C), EPA will not issue an order in this proceeding prior to the close of the public comment period.

Dated: July 17, 2008.
