DATES: Comments must be received by September 15, 2008.

ADDRESSES: Any persons interested in commenting on these proposed amendments may do so by submitting comments in writing to the Office of Chief Information Officer, Willie Chism, Office of Surface Mining and Reclamation, U.S. Department of the Interior, 1951 Constitution Avenue, NW., Washington, DC 20240, or by e-mail to wchism@osmre.gov.

FOR FURTHER INFORMATION CONTACT: Office of the Chief Information Officer, Office of Surface Mining, 1951 Constitution Avenue, NW., Washington, DC 20240.

SUPPLEMENTARY INFORMATION: On May 22, 2007, in a memorandum for the heads of Executive Departments and Agencies entitled "Safeguarding Against and Responding to the Breach of Personally Identifiable Information," the Office of Management and Budget directed agencies to develop and publish a routine use for disclosure of information in connection with response and remedial efforts in the event of a data breach. This routine use will serve to protect the interest of the individuals whose information is at issue by allowing agencies to take appropriate steps to facilitate a timely and effective response to the breach, thereby improving its ability to prevent, minimize or remedy any harm resulting from a compromise of data maintained in its systems of records. Accordingly, the Director, Office of Surface Mining, is proposing to add a new routine use to authorize disclosure to appropriate agencies, entities, and persons, of information maintained in the following systems in the event of a data breach. These amendments will be effective as proposed at the end of the comment period unless comments are received which would require a contrary determination. The Department will publish a revised notice if changes are made based upon a review of comments received.

Dated: July 29, 2008.

Douglas Wink,

*Acting Chief Information Officer, Office of
Surface Mining and Reclamation.*

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-449 and 731-TA-1118-1120 (Final)]

Light-Walled Rectangular Pipe and Tube From China, Korea, and Mexico**Determinations**

On the basis of the record ¹ developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to sections 705(b) and 735(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b) & 1673d(b)) (the Act), that an industry in the United States is materially injured by reason of imports from China, Korea, and Mexico of light-walled rectangular pipe and tube, provided for in subheading 7306.61.50 of the

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR § 207.2(f)).

Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce (Commerce) to be sold in the United States at less than fair value (LTFV) and by imports from China of light-walled rectangular pipe and tube found by Commerce to be subsidized by the Government of China.^{2 3}

Background

The Commission instituted these investigations effective June 27, 2007, following receipt of a petition filed with the Commission and Commerce by twelve U.S. producers.⁴ The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of light-walled rectangular pipe and tube from China were being subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and that imports of light-walled rectangular pipe and tube from China, Korea, and Mexico were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of February 5, 2008 (73 FR 6740). The hearing was held in Washington, DC, on April 11, 2008, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on July 28, 2008. The views of the Commission are contained in USITC Publication 4024 (July 2008), entitled *Light-Walled Rectangular Pipe and Tube from China, Korea, and Mexico, Inv. Nos. 701-TA-449 and 731-TA-1118-1120 (Final)*.

By order of the Commission.

² Commissioner Dean A. Pinkert is recused from these investigations.

³ The Commission also finds that imports subject to Commerce's affirmative critical circumstances determination are not likely to undermine seriously the remedial effect of the antidumping duty order on China.
