ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. SUPPLEMENTARY INFORMATION

I. *Background:* The Fair Labor Standards Act (FLSA) section 3(l), 29 U.S.C. 203(l), establishes a minimum age of 16 years for most nonagricultural employment but allows the employment of 14- and 15-year olds in occupations other than manufacturing and mining or deemed hazardous, if the Secretary of Labor determines such employment is confined to (1) periods that will not interfere with the minor's schooling and (2) conditions that will not interfere with the minor's health and well-being. FLSA section 11(c), 29 U.S.C. 211(c), requires all employers covered by the FLSA to make, keep and preserve records of their employees' wages, hours and other conditions and practices of employment. Regulations issued by the Secretary of Labor prescribe the recordkeeping and reporting requirements for these records. Subpart C of Regulations, 29 CFR Part 570, Child Labor Regulations, Orders, and Statements of Interpretation, sets forth the employment standards for 14- and 15-year olds (CL Reg. 3). Regulations 29 CFR 570.35a contains the requirements and criteria for the use of 14- and 15-year olds and the occupations permitted for them, and the conditions of employment that allow for the employment of 14- and 15-year olds, pursuant to a school-supervised and school-administered WECEP—under the conditions CL Reg. 3 otherwise prohibits. In order to utilize the CL Reg. 3 WECEP provisions, Regulations 29 CFR 570.35a(b)(2) requires a state educational agency to file an application for approval of a state WECEP program as one not interfering with schooling or with the health and well-being of the minors involved. Regulations 29 CFR 570.35a(b)(3)(vi) requires the preparation of a written training agreement for each student participating in a WECEP and that such agreement be signed by the teacher-coordinator, employer, and student. The regulation also requires the student's parent or guardian to sign or otherwise consent to the agreement in order for it to be valid. Regulations 29 CFR 570.35a(b)(4)(ii) requires state education agencies to keep a record of the names and addresses of each school enrolling WECEP students and the number of enrollees in each unit. The state or local educational agency office must keep a copy of the written training agreement for each student participating in the WECEP. The records and copies must be maintained for three (3) years from the date of each student's enrollment in the

program. This information collection is currently approved for use through April 30, 2009.

II. Review Focus: The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. SUPPLEMENTARY INFORMATION:

I. Background: The Office of Workers' Compensation Programs (OWCP) administers the Longshore and Harbor Workers' Compensation Act (LHWCA). The Act provides benefits to workers

injured in maritime employment on the navigable waters of the United States or in adjoining areas customarily used by an employer in loading, unloading, repairing or building a vessel. In addition, several acts extend Longshore Act coverage to certain other employees. Pursuant to section 914(g) of the Longshore Act, and 20 CFR 702.235, once an employer has made a final payment on a compensation claim, he/she shall file with the district director in the affected compensation district on or before the sixteenth day after the final payment has been made, a notice, in accordance with a form prescribed by the Secretary, stating the amount, type and dates of compensation paid on the claim. Form LS-208 has been designated for this purpose. Form LS-208 is used by insurance carriers and self-insured employers to notify that payment under the Longshore Act and extensions has been terminated. The information is used by OWCP district offices to determine the return-to-work status of a claimant. This information collection is currently approved for use through February 28, 2009.

II. Review Focus: The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

III. Current Actions: The Department of Labor seeks the approval for the extension of this currently approved information collection in order to carry out its responsibility to meet the statutory requirements to provide compensation or death benefits under the Act to workers covered under the Act.

Type of Review: Extension.
