[Docket No. FR-5186-N-32]

**Federal Property Suitable as Facilities To Assist the Homeless**

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and

surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:** Kathy Ezzell, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Rita, Division of Property Management, Program Support Center, HHS, Room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application

packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: ARMY: Ms. Veronica Rines, Headquarters, Department of the Army, Office of the Assistant Chief of Staff for Installation Management, 2511 Jefferson Davis Hwy., Arlington, VA 22202; (703) 601-2545; ENERGY: Mr. Mark Price, Department of Energy, Office of Engineering & Construction Management, MA-50, 1000 Independence Ave, SW., Washington, DC 20585; (202) 586-5422; GSA: Mr. John Smith, Deputy Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th & F Streets, NW., Washington, DC 20405; (202) 501-0084; NAVY: Mrs. Mary Arndt, Acting Director, Department of the Navy, Real Estate Services, Naval Facilities

Engineering Command, Washington Navy Yard, 1322 Patterson Ave., SE., Suite 1000, Washington, DC 20374-5065; (202) 685-9305; (These are not toll-free numbers).

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5224-N-01]

### Reconsideration of Waivers Granted to and Alternative Requirements for Community Development Block Grant Disaster Recovery Grantees Under Public Laws 109-148 and 109-234

**AGENCY:** Office of the Secretary, HUD.  
**ACTION:** Notice.

**SUMMARY:** This Notice reconsiders and generally affirms the waivers made under the three "common" Notices governing grant funds for Community Development Block Grant (CDBG) disaster recovery grants for the purpose of assisting in the recovery in the most impacted and distressed areas related to the consequences of Hurricanes Katrina, Rita, and Wilma in the Gulf of Mexico in 2005. These prior notices were published in the **Federal Register** on February 13, 2006, October 30, 2006, and August 24, 2007. The Notice published today addresses the purpose and use of these funds, while highlighting unique components of the three notices and noting any changes made by HUD as the result of the required reconsideration of the waivers. For the most part, HUD is repeating or restating the original explanatory text so that grantees and program administrators may continue to have the explanation of a changed requirement and the requirement itself in a single document.

**DATES:** *Effective Date:* August 8, 2008.

**FOR FURTHER INFORMATION CONTACT:** Jessie Handforth Kome, Director, Disaster Recovery and Special Issues Division, Office of Block Grant Assistance, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7286, Washington, DC 20410, telephone number 202-708-3587. Persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at 800-877-8339. Fax inquiries may be sent to Ms. Kome at 202-401-2044. (Except for the 800 number, these telephone numbers are not toll-free.)

#### SUPPLEMENTARY INFORMATION:

##### Authority To Grant Waivers

The Department of Defense, Emergency Supplemental Appropriations to Address Hurricanes in the Gulf of Mexico, and Pandemic Influenza Act, 2006 (Pub. L. 109-148, approved December 30, 2005) (Appropriations Act) appropriated \$11.5 billion, and Chapter 9 of Title II of the

Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Hurricane Recovery, 2006 (Pub. L. 109-234, approved June 15, 2006), appropriated \$5.2 billion for a combined total of \$16.7 billion in CDBG funds for necessary expenses related to disaster relief, long-term recovery, and restoration of infrastructure directly related to the consequences of the covered disasters. These 2006 Acts (collectively "the supplemental Acts") authorize the Secretary to waive, or specify alternative requirements for, any provision of any statute or regulation that the Secretary administers in connection with the obligation by the Secretary or by the five eligible states' use of these funds, except for requirements related to fair housing, nondiscrimination, labor standards, and the environment, upon a request by one of the five states and a finding by the Secretary that such a waiver would not be inconsistent with the overall purpose of the statute. The difference between the waiver authorizations in the supplemental Acts is that Public Law 109-148 directs that the Secretary "shall" make the waivers in response to a state's request and a consistency finding, while Public Law 109-234 states that the Secretary "may" make such waivers.

This Notice reconsiders and generally affirms the waivers made under the three "common" Notices governing grant funds for CDBG disaster recovery grants for the purpose of assisting in the recovery in the most impacted and distressed areas related to the consequences of Hurricanes Katrina, Rita, and Wilma in the Gulf of Mexico in 2005. These prior notices were published in the **Federal Register** on February 13, 2006 (71 FR 7666), October 30, 2006 (71 FR 63337), and August 24, 2007 (72 FR 48804). The reconsideration of the February 13, 2006, Notice is required at this time. HUD is reconsidering the October 30, 2006, and August 24, 2007, Notices earlier than required by statute because publication of all common waivers and alternative requirements in a single Notice will produce a more sensible administrative and regulatory result.

The following waivers and alternative requirements for funds provided under either 2006 Act are in response to requests from all five states receiving CDBG disaster recovery grants under those Acts. In accordance with the states' earlier requests for administrative consistency to the extent feasible (noted in 71 FR 63337, published October 30, 2006), each waiver or alternative requirement will apply to assistance
