

information collection should be sent directly to: Office of Management and Budget, Paperwork Reduction Project, 725 17th Street, NW., Washington, DC 20503, *Attention:* Desk Officer for the Administration for Children and Families. OMB is required to make a decision concerning the collection of information contained in this regulation between 30 and 60 days after its publication in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication. This does not affect the deadline for the public to comment to the Department on the proposed regulation.

VI. Regulatory Flexibility Analysis

The Secretary certifies, under 5 U.S.C. 605(b), as enacted by the Regulatory Flexibility Act (Pub. L. 96-354), that this rule will not result in a significant impact on a substantial number of small entities. The primary impact is on State governments. State governments are not considered small entities under the Regulatory Flexibility Act.

VII. Regulatory Impact Analysis

Executive Order 12866 requires that regulations be reviewed to ensure that they are consistent with the priorities and principles set forth in the Executive Order. The Department has determined that this rule is consistent with these priorities and principles.

VIII. Unfunded Mandates Reform Act of 1995

Section 202 of the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4) requires that a covered agency prepare a budgetary impact statement before promulgating a rule that includes any Federal mandate that may result in the expenditure by State, local, and Tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year.

The Department has determined that this rule would not impose a mandate that will result in the expenditure by State, local, and Tribal governments, in the aggregate, or by the private sector, of more than \$100 million in any one year.

The proposed rule has no direct budgetary implications. The TANF program has been unaffected in budgetary terms by the existing excess MOE provision.

IX. Congressional Review

This regulation is not a major rule as defined in 5 U.S.C. Chapter 8.

X. Assessment of Federal Regulation and Policies on Families

Section 654 of The Treasury and General Government Appropriations Act of 1999 requires Federal agencies to determine whether a proposed policy or regulation may affect family well-being. If the agency's determination is affirmative, then the agency must prepare an impact assessment addressing seven criteria specified in the law. This regulation will not have an impact on family well-being as defined in the legislation.

XI. Executive Order 13132

Executive Order 13132 "Federalism" requires that Federal agencies consult with State and local government officials in the development of regulatory policies with Federalism implications. We solicit and welcome comments from State and local government officials on this proposed rule, consistent with Executive Order 13132.
