**Certain Orange Juice from Brazil: Final Results and Partial Rescission of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** August 11, 2008.

**SUMMARY:** On April 7, 2008, the Department of Commerce published its preliminary results of the administrative

review of the antidumping duty order on certain orange juice from Brazil. The period of review (POR) is August 24, 2005, through February 28, 2007. We are rescinding the review with respect to one company because this company had no entries of subject merchandise during the POR.

Based on our analysis of the comments received, we have made certain changes in the margin calculations. Therefore, the final results differ from the preliminary results. The final weighted-average dumping margins for the reviewed firms are listed below in the section entitled "Final Results of Review."

**FOR FURTHER INFORMATION CONTACT:**

Elizabeth Eastwood or Henry Almond, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3874 or (202) 482-0049, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On April 7, 2008, the Department published in the **Federal Register** the preliminary results of administrative review of the antidumping duty order on certain orange juice from Brazil. See *Certain Orange Juice from Brazil: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 73 FR 18773 (Apr. 7, 2008) (*Preliminary Results*).

We invited parties to comment on our preliminary results of review. In May 2008, we received case briefs from the petitioners (*i.e.*, Florida Citrus Mutual, A. Duda & Sons, Citrus World Inc., and Southern Gardens Citrus Processing Corporation) and the respondents (*i.e.*, Fischer S.A. Comercio, Industria, and Agricultura (Fischer) and Sucocitrico Cutrale, S.A. (Cutrale)). Also in May 2008, we received rebuttal briefs from the petitioners and the respondents.

The Department has conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

**Scope of the Order**

The scope of this order includes certain orange juice for transport and/or further manufacturing, produced in two different forms: (1) frozen orange juice in a highly concentrated form, sometimes referred to as frozen concentrated orange juice for manufacture (FCOJM); and (2) pasteurized single-strength orange juice which has not been concentrated, referred to as not-from-concentrate
