Notice of Required Determinations, Contract Provisions and Opportunity to Comment:

The Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (“CERCLA”), as amended (commonly known as “Superfund”), requires completion of enforcement activities at Superfund sites in concert with other site events. EPA has entered into a contract with the U.S. Department of Justice (“DOJ”), Interagency Agreement No. DW-15-95566201, for enforcement support in relation to the Operating Industries, Inc. Superfund Site, Inc. pursuant to DOJ’s MEGA3 contract with CACI, Inc., Contract No. DJJ07-C-1521.

Enforcement support services will be provided to EPA by CACI, Inc. EPA has determined that disclosure of CBI to CACI, Inc., and its employees, is necessary in order for the company to carry out its work for EPA under its contract with the DOJ. The information EPA intends to disclose includes submissions made by Potentially Responsible Parties to EPA in accordance with EPA’s enforcement activities at the Operating Industries Inc., Superfund Site. The information would be disclosed to the above-named DOJ contractor, CACI, Inc. for any of the following reasons: to assist with document handling, inventory, and indexing; to assist with document review and analysis; to verify completeness; and to provide technical review of submittals. The contract complies with all requirements of 40 CFR 2.310(h)(2). EPA Region 9 will require that each of the contractor’s employees with access to CBI sign a written agreement that he or she: (1) Will use the information only for the purpose of carrying out the work

required by the contract, (2) will refrain from disclosing the information to anyone other than EPA without prior written approval of each affected business or of an EPA legal office, and (3) will return to EPA all copies of the information (and any abstracts or extracts therefrom) upon request from the EPA program office, whenever the information is no longer required by the contractor for performance of the work required by the contract or upon completion of the contract.

Dated: July 24, 2008.

Sheryl Bilbrey,

Acting Director, Superfund Division, Region IX.

FEDERAL MARITIME COMMISSION

[Petition P1-08]

Petition of the National Customs Brokers and Forwarders Association of America, Inc. for Exemption From Mandatory Rate Tariff Publication; Notice of Filing

Notice is hereby given that National Customs Brokers and Forwarders Association of America, Inc. ("Petitioner") has petitioned, pursuant to 49 U.S.C. 40103 (former Section 16 of the Shipping Act of 1984 ("the Shipping Act")), and 46 CFR 502.67 and 502.69, for an exemption from the provisions of the Shipping Act that require non-vessel-operating common carriers ("NVOCCs") to publish and adhere to all ocean tariff rates. Specifically, Petitioner requests that NVOCCs be exempted from the provisions of the Shipping Act requiring NVOCCs to publish and adhere to rate tariffs in those instances where an NVOCC has individually negotiated rates with its shipping customers and memorialized those rates in writing. Petitioner further clarifies its request by stating that: (1) The exemption would be voluntary and apply only to rate tariffs; (2) negotiated rates and related disputes would be governed by contract law and therefore exempt from 49 U.S.C. 40501(a)-(e) and (g) (formerly sections 8(a), (b), (d) and (g) of the Shipping Act—governing tariff contents and publication, time volume rates, 30 day's notice for increases, and accessibility and accuracy of automated tariffs); 40503 (formerly section 8(e)—setting out procedures for refunds and waivers) and 41104(2), (4) and (8) (formerly sections 10(b)(2), (4) and (8)—prohibiting service not in accordance with tariffs, unfair or unjustly discriminatory practices regarding rates, cargo classifications, cargo space accommodations, loading or landing of freight or adjustment or settlement of claims; and, undue or unreasonable preferences or advantages or undue or unreasonable prejudices or disadvantages); (3) NVOCC Service Arrangements would continue to be filed with the FMC and essential terms rates would be memorialized in writing; (5) the Commission would have access to documentation underlying negotiated rates; (6) the exemption would not

convey antitrust immunity on NVOCCs; and (7) the exemption would apply to FMC-licensed or registered NVOCCs.

In order for the Commission to make a thorough evaluation of the Petition, interested persons are requested to submit views or arguments in reply to the Petition no later than September 26, 2008. Replies shall consist of an original and fifteen (15) copies, be directed to the Assistant Secretary, Federal Maritime Commission, 800 North Capitol Street, NW., Washington, DC 20573-0001, and be served on Petitioner's counsel Edward D. Greenberg, Esq., Galland, Kharasch, Greenberg, Fellman & Swirsky, P.C., 1054 Thirty-First Street, NW., Washington, DC 20037-4492. A copy of the reply shall be submitted in electronic form (Microsoft Word 2003) by e-mail to secretary@fmc.gov. The Petition will be posted on the Commission's Web site at <http://www.fmc.gov/reading/Petitions.asp>. Replies filed in response to this petition also will be posted on the Commission's Web site at this location.

Parties participating in this proceeding may elect to receive service of the Commission's issuances in this proceeding through email in lieu of service by U.S. mail. A party opting for electronic service shall advise the Office of the Secretary in writing and provide an e-mail address where service can be made.
