TSA published a **Federal Register** notice, with a 60-day comment period soliciting comments, of the following collection of information on June 06, 2008, 73 FR 32346. The collection requires TSA to conduct a security threat assessment on all aliens and designated individuals seeking flight instruction ("candidates") from Federal Aviation Administration (FAA)-certified flight training providers. Additionally, flight training providers are required to conduct a security awareness program for their employees, and to maintain records associated with this training.

DATES: Send your comments by September 12, 2008. A comment to OMB is most effective if OMB receives it within 30 days of publication.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to Desk Officer, Department of Homeland Security/TSA, and sent via electronic mail to oir_submission@omb.eop.gov or faxed to (202) 395-6974.

The ICR documentation is available at www.reginfo.gov. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.
