RIN 1615-ZA69

Extension of the Designation of Sudan for Temporary Protected Status; Automatic Extension of Employment Authorization Documentation for Sudanese TPS Beneficiaries

AGENCY: U.S. Citizenship and Immigration Services, Department of Homeland Security (DHS).

ACTION: Notice.

SUMMARY: This Notice announces that the Secretary of Homeland Security has extended the designation of Sudan for temporary protected status (TPS) for 18 months, from its current expiration date of November 2, 2008 through May 2, 2010. This Notice also sets forth procedures necessary for nationals of Sudan (or aliens having no nationality who last habitually resided in Sudan) with TPS to re-register with U.S.

Citizenship and Immigration Services (USCIS) and to apply for an extension of their employment authorization documents (EADs) for the additional 18-month period. Re-registration is limited to persons who have previously registered for TPS under the designation of Sudan and whose applications have been granted or remain pending. Certain nationals of Sudan (or aliens having no nationality who last habitually resided in Sudan) who have not previously applied for TPS may be eligible to apply under the late initial registration provisions.

Given the timeframes involved with processing TPS re-registration applications, the Department of Homeland Security (DHS) recognizes the possibility that all re-registrants may not receive new EADs until after their current EADs expire on November 2, 2008. Accordingly, this Notice automatically extends the validity of EADs issued under the TPS designation of Sudan for six months, through May 2, 2009, and explains how TPS beneficiaries and their employers may determine which EADs are automatically extended. USCIS will issue new EADs with the May 2, 2010 expiration date to eligible TPS beneficiaries who timely re-register and apply for EADs.

DATES: The extension of the TPS designation of Sudan is effective November 3, 2008, and will remain in effect through May 2, 2010. The 60-day re-registration period begins August 14, 2008, and will remain in effect until October 14, 2008. To facilitate processing of applications, applicants are strongly encouraged to file as soon as possible after the start of the 60-day re-registration period beginning on August 14, 2008.
