Investors would not receive any benefit or additional protection by requiring Applicants to repeatedly seek exemptive relief that would present no issue under the 1940 Act that has not already been addressed in this application. Having Applicants file additional applications would impair Applicants' ability effectively to take advantage of business opportunities as they arise.

8. Applicants undertake that Future Contracts funded by the Account or by Future Accounts that seek to rely on the order issued pursuant to the application will be substantially similar to the Contract in all material respects.

Conclusion

Applicants submit that their request for an order meets the standards set out in Section 6(c) of the 1940 Act and that an order should, therefore, be granted.

For the Commission, by the Division of Investment Management, under delegated authority.

[Docket No. DOT-OST-2008-0182]

Office of Small and Disadvantaged Business Utilization (OSDBU); Notice of Request for Renewal of Data Collection by the Office of Small and Disadvantaged Business Utilization's (OSDBU) Regional Small Business Transportation Resource Centers (SBTRCs)

Notice of Correction

This Notice of Correction announces cancellation of the published 30-day notice in the **Federal Register** (73 FR 45092-45093) on August 1, 2008. For this Notice of information collection, refer to the published 60-day notice in the **Federal Register** (73 FR 36368-36370) on June 26, 2008.

Agency Information Collection Activities; Request for Comments, Renewal and Approval of Information Collection(s): Regional Center Intake Form (DOT F 4500) and Regional Resource Center Monthly Report Form (DOT F 4502).

AGENCY: Office of the Secretary, DOT.

ACTION: Notice and request for comments.

SUMMARY: The Office of Small and Disadvantaged Business Utilization (OSDBU) invite the public to comment about our intention to request the Office of Management and Budget's (OMB) approval to renew information collection forms, associated with OSDBU. The collection involves the use of the Regional Center Intake Form, (DOT F 4500) which documents the type of assistance provided to each small business that is enrolled in the program.

The use of the Regional Resource Center Monthly Report Form, (DOT F 4502) will highlight activities, such as counseling, marketing, meetings/conferences, and services to businesses as completed during the month. The information will be used to ascertain whether the program is providing services to its constituency, the small business community, in a fair and equitable manner. The information collected is necessary to determine whether small businesses are participating in DOT funded and DOT assisted opportunities with the DOT.

The Counseling Information Form, (DOT F 4640.1) has been eliminated and the information contained in that form is now consolidated into the Regional Resource Center Monthly Report Form (formerly titled Monthly Report of Operations Form). To eliminate duplication and to streamline the data collection process, OSDBU revised the Monthly Report of Operations Form into the Regional Resource Center Monthly Report Form.

We are required to publish this notice in the **Federal Register** by the Paperwork Reduction Act of 1995. On June 26, 2008, OSDBU published a 60-day notice in the **Federal Register** (73 FR 36368) Docket # OST-2008-0182, informing the public of OSDBU's intention to extend an approved information collection.

DATES: Written comments should be submitted by: September 15, 2008 and submitted to the attention of the DOT/OST Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, Docket library, Room 10102, 725 17th Street, NW., Washington, DC 20503 or oir_submission@omb.eop.gov (e-mail).

The Regional Center Intake Form, (DOT F 4500) is used by the Regional SBTRC staff to enroll small business clients into the program in order to create a viable database of firms that can participate in government contracts and subcontracts, especially those projects that are transportation related. Each area on the form must be filled in electronically by the SBTRCs and retained in secured files of the client. The completion of the form is used as

Request for information about another party may be denied unless DOT has the written permission of the individual to release the information to the requestor or unless the information is subject to disclosure under the Freedom of Information Act.
