SUPPLEMENTARY INFORMATION:

Authority: Section 203(o)(4) of the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act ("CAFTA-DR Act"); the Statement of Administrative Action accompanying the CAFTA-DR Act; Presidential Proclamations 7987 (February 28, 2006) and 7996 (March 31, 2006).

BACKGROUND:

The CAFTA-DR Agreement provides a list in Annex 3.25 for fabrics, yarns, and fibers that the Parties to the CAFTA-DR Agreement have determined are not available in commercial quantities in a timely manner in the territory of any Party. The CAFTA-DR Agreement provides that this list may be modified pursuant to Article 3.25(4)-(5), when the President of the United States determines that a fabric, yarn, or fiber is not available in commercial quantities in a timely manner in the territory of any Party. See Annex 3.25, Note; see also section 203(o)(4)(C) of the CAFTA-DR Act.

The CAFTA-DR Act requires the President to establish procedures governing the submission of a request and providing opportunity for interested entities to submit comments and supporting evidence before a commercial availability determination is made. In Presidential Proclamations 7987 and 7996, the President delegated to CITA the authority under section 203(o)(4) of the CAFTA-DR Act for modifying the Annex 3.25 list. On March 21, 2007, CITA published Final Procedures ("procedures") it would follow in considering Requests to modify the Annex 3.25 list (72 FR 13256).

On June 18, 2008, The Chairman of CITA received eight commercial availability Requests from the Government of the Dominican Republic ("GDR") for various woven fabrics, of the specifications detailed below. On June 19, 2008, in accordance with CITA's procedures, CITA notified interested parties of, and posted on its website, the accepted Requests and asked that interested entities provide, by July 2, 2008, a Response with an Offer to Supply ("Responses") advising of its objection to the Request and its ability to supply the subject product. CITA also explained that Rebuttals to Responses were due to CITA by July 9, 2008.

On July 2, 2008, a CAFTA-DR supplier, Monte Textil S.A. ("Monte"), submitted Responses to each of the eight Requests, advising CITA of its objections to the Requests and explaining its ability to supply each of the eight fabrics as specified in commercial quantities in a timely manner. In its Responses to the GDR's Requests, Monte stated its ability to supply the subject fabrics, and provided some detailed information regarding its production capability.

In its Rebuttals to Monte's Responses, the GDR argued that Monte had failed to demonstrate that it has the capability to make the fabrics in question and that

in its Responses the company provided only a "broad recitation of its general production capabilities."

In accordance with section 203(o)(4) of the CAFTA-DR Act, Article 3.25 of the CAFTA-DR Agreement, and section 8(c)(4) of CITA's procedures, because there was insufficient information to make a determination within 30 days, CITA extended the period of making a determination by 14 U.S. business days.

On July 21, 2008, in accordance with section 8(c)(4)(i) of CITA's final procedures, CITA held a public meeting with representatives from the GDR, Grupo M, a Dominican apparel producer, and Monte, to allow the interested entities to provide additional evidence to support their claims and information previously submitted to CITA.

Section 203(o)(4)(C)(ii) of the CAFTA-DR Act provides that after receiving a Request, a determination will be made as to whether the subject product is available in commercial quantities in a timely manner in the CAFTA-DR countries. In the instant case, the information on the record clearly indicates that the GDR, and specifically a Dominican manufacturer, Grupo M, made significant efforts to source the fabrics in the CAFTA-DR countries, including from Monte, and that Monte has not demonstrated that it can supply the specified fabrics in a timely manner. Therefore, in accordance with section 203(o) of the CAFTA-DR Act, and CITA's procedures, as CITA has determined that the subject products are not available in commercial quantities in a timely manner, CITA has determined to add the specified fabrics to the list in Annex 3.25 of the CAFTA-DR Agreement.

The subject fabrics are added to the list in Annex 3.25 of the CAFTA-DR Agreement in unrestricted quantities. A revised list has been published on-line.

CITA notes that, in accordance with section 203(o)(4) of the CAFTA-DR Act, Article 3.25 of the CAFTA-DR Agreement, and section 9 of CITA's procedures, an interested entity may request CITA to remove or restrict the quantity of a product listed in Annex 3.25 six months after the product has been added. If CITA determines that the product is available in commercial quantities in a timely manner in the CAFTA-DR countries, CITA will publish in the Federal Register a notice of its determination of removal or restriction. Accordingly, the product will be removed from the Annex 3.25 list, or its quantity restricted, six months after the publication date of CITA's determination.
