32 CFR Part 706

Certifications and Exemptions Under the International Regulations for Preventing Collisions at Sea, 1972

AGENCY: Department of the Navy, DoD.
ACTION: Final rule.

SUMMARY: The Department of the Navy is amending its certifications and exemptions under the International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), to reflect that the Deputy Assistant Judge Advocate General of the Navy (Admiralty and Maritime Law) has determined that USS MAKIN ISLAND (LHD 8) is a vessel of the Navy which, due to its special construction and purpose, cannot fully

comply with certain provisions of the 72 COLREGS without interfering with its special functions as a naval ship. The intended effect of this rule is to warn mariners in waters where 72 COLREGS apply.

DATES: This rule is effective August 20, 2008 and is applicable beginning 7 August 2008.

FOR FURTHER INFORMATION CONTACT: Commander Robb M. Hyde, JAGC, U.S. Navy, Deputy Assistant Judge Advocate General (Admiralty and Maritime Law), Office of the Judge Advocate General, Department of the Navy, 1322 Patterson Ave., SE., Suite 3000, Washington Navy Yard, DC 20374–5066, telephone (202) 685–5040.

SUPPLEMENTARY INFORMATION: Pursuant to the authority granted in 33 U.S.C. 1605, the Department of the Navy amends 32 CFR part 706.

This amendment provides notice that the Deputy Assistant Judge Advocate General of the Navy (Admiralty and Maritime Law), under authority delegated by the Secretary of the Navy, has certified that USS MAKIN ISLAND (LHD 8) is a vessel of the Navy which, due to its special construction and purpose, cannot fully comply with the following specific provisions of 72 COLREGS: Rule 21(a), pertaining to the location of the masthead lights over the fore and aft centerline of the ship; Annex I, section 3(a), pertaining to the location of the forward masthead light in the forward quarter of the ship; and the horizontal distance between the forward and after masthead lights; Annex I, paragraph 2(f)(i), pertaining to the placement of the masthead light or lights above and clear of all other lights and obstructions; Annex I, section 2(g), pertaining to the distance of the sidelights above the hull; and Annex I, section 3(b), pertaining to the positioning of the sidelights in relationship to the forward masthead light. The Deputy Assistant Judge Advocate General of the Navy

(Admiralty and Maritime Law) has also certified that the lights involved are located in closest possible compliance with the applicable 72 COLREGS requirements.

Moreover, it has been determined, in accordance with 32 CFR Parts 296 and 701, that publication of this amendment for public comment prior to adoption is impracticable, unnecessary, and contrary to public interest since it is based on technical findings that the placement of lights on this vessel in a manner differently from that prescribed herein will adversely affect the vessel's ability to perform its military functions.
