FEDERAL RESERVE SYSTEM

Agency Information Collection Activities: Announcement of Board Approval Under Delegated Authority and Submission to OMB

SUMMARY: *Background.* Notice is hereby given of the final approval of proposed information collections by the Board of Governors of the Federal Reserve System (Board) under OMB delegated authority, as per 5 CFR 1320.16 (OMB Regulations on Controlling Paperwork Burdens on the Public). Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instrument(s) are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

FOR FURTHER INFORMATION CONTACT:

Federal Reserve Board Clearance Officer—Michelle Shore—Division of Research and Statistics, Board of Governors of the Federal Reserve System, Washington, DC 20551 (202-452-3829).

OMB Desk Officer—Alexander T. Hunt—Office of Information and Regulatory Affairs, Office of

Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Final approval under OMB delegated authority of the extension for three years, without revision, of the following reports:

Agency form number: FR H-6.

OMB control number: 7100-0278.

Frequency: Event-generated.

Reporters: State member banks.

General description of report: This information collection is required to obtain a benefit (12 U.S.C. 338a and 12 CFR 208.22). Individual respondent data generally are not regarded as confidential but information that is proprietary or concerns examination ratings would be considered confidential.

Abstract: Regulation H requires state member banks that want to make community development or public welfare investments to comply with the Regulation H notification requirements: (1) If the investment does not require prior Board approval, a written notice must be sent to the appropriate Federal Reserve Bank; (2) if certain criteria are not met, a request for approval must be sent to the appropriate Federal Reserve Bank; and, (3) if the Board orders divestiture but the bank cannot divest within the established time limit, a request or requests for extension of the divestiture period must be submitted to the appropriate Federal Reserve Bank.

Most individual respondent data are not considered confidential. Applicants may, however, request that parts of their membership applications be kept confidential, but in such cases the Applicant must justify its request by demonstrating how an exemption under the Freedom of Information Act (FOIA) is satisfied. The confidentiality status of the information submitted will be judged on a case-by-case basis.

Abstract: The application for membership is a required one-time submission that collects the information necessary for the Federal Reserve to evaluate the statutory criteria for admission of a new or existing state bank into membership in the Federal Reserve System.
