**DEPARTMENT OF LABOR****Employment and Training Administration**

[TA-W-62,892]

**Barnes Aerospace, Ceramics Division, Windsor, CT; Notice of Negative Determination on Reconsideration**

On July 11, 2008, the Department issued an Affirmative Determination

Regarding Application for Reconsideration for the workers and former workers of the subject firm. The notice was published in the **Federal Register** on July 21, 2008 (73 FR 42368).

The initial investigation resulted in a negative determination based on the finding that imports of multi-layer ceramic green sheet did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.
