SUPPLEMENTARY INFORMATION:

Background

Title IV of Division A of the Housing and Economic Recovery Act of 2008 (Pub. L. 110-289, 122 Stat. 2654, approved July 30, 2008) (Act) amended Title II of the National Housing Act (NHA) to add a new section 257. This section established the Program as a temporary Federal Housing Administration (FHA) program that offers voluntary participation on the part of homeowners and existing loan holders (or servicers acting on their behalf) to insure refinanced loans for distressed borrowers to support long-term sustainable homeownership, including among other things, allowing homeowners to avoid foreclosure. Under the Program, a qualified mortgage borrower may refinance his or her existing mortgage into a new mortgage loan insured by the FHA, subject to conditions and restrictions specified in the Act. The Program authorizes FHA to insure such eligible mortgages commencing no earlier than October 1, 2008, and the authority to insure expires September 30, 2011.
